

Institute of Science and Technology (IST), Dhaka

Overview

Founded: 1993

Affiliation: National University, Bangladesh

Type: Non-profit, non-political private institute

Inspired by: MIT (USA) and IIT (India)

Location: 15(A), Dhanmondi, Dhaka 1209, Bangladesh

Website: <https://ist.edu.bd>

Phone: 01726-937910

Leadership

Founder & Former Chairman: Emeritus Professor Dr. Shahida Rafique (passed away March 2, 2025)

Current Chairman (Governing Body): Dr. Mohammed Shahpur Rafique Mia

Academic Departments & Programs

1. Computer Science and Engineering (CSE)
 - B.Sc. in CSE (4 years, 8 semesters)
 - M.Sc. in CSE (MCSE) (1 year, 2 semesters)
2. Business Administration
 - BBA (4 years, 8 semesters)
 - MBA (1 year, 2 semesters)
3. Electronics and Communication Engineering (ECE)
 - B.Sc. in ECE (4 years, 8 semesters)
4. Diploma in Engineering
 - Architecture
 - Civil Engineering
 - Computer Engineering
 - Electrical Engineering

Admission Requirements

B.Sc. in CSE / ECE

- SSC (2018–19) GPA ≥ 3.00
- HSC (2020–21) GPA ≥ 2.50
- GCE: 3 subjects in O-Level, 2 in A-Level (Math compulsory)

BBA

- Humanities: SSC & HSC GPA ≥ 2.50
- Science/Business: SSC ≥ 3.00 , HSC ≥ 2.50
- GCE: 3 B-grades & 2 C-grades (Accounting compulsory)

MCSE

- 4-year B.Sc. in CSE or equivalent

MBA

- 4-year BBA (Hons.) or equivalent with CGPA ≥ 2.25 or 45% marks

Campus & Facilities

Permanent Campus: Dhanmondi

Future Campus: Nobodoy Housing, Mohammadpur

Facilities:

- 4 modern computer labs
- 2 electrical & communication labs
- Digital library (10,000+ books)
- Multimedia classrooms
- Indoor sports facilities
- Rooftop cafeteria, mosque, medical services
- Solar panels, fire safety systems

Research & Innovation

Electronics, Communication and Robotics Club (ECRC)

Focus on applied research in computing, electronics, and business

Encourages student-led innovation and project-based learning

Tuition & Scholarships

Affordable tuition with installment options

Scholarships:

- Academic excellence
- Financial hardship

Tuition Fee Structure (2025)

CSE (Computer Science and Engineering)

HSC GPA	Admission Fee Waiver	Admission Fee	Development Fee	Lab Fee (8×2,000)	Semester Fee (8×7,000)	Tuition Fee (48×3,000)	Total
5.00	75%	₹3,750	₹7,000	₹16,000	₹56,000	₹144,000	₹226,750
4.75–4.99	50%	₹7,500	₹7,000	₹16,000	₹56,000	₹144,000	₹230,500
4.50–4.74	20%	₹12,000	₹7,000	₹16,000	₹56,000	₹144,000	₹235,000
Below 4.50	None	₹15,000	₹7,000	₹16,000	₹56,000	₹144,000	₹238,000

ECE (Electronics and Communication Engineering)

HSC GPA	Admission Fee Waiver	Admission Fee	Development Fee	Lab Fee (8×2,000)	Semester Fee (8×7,000)	Tuition Fee (48×3,000)	Total
5.00	75%	₹3,750	₹7,000	₹16,000	₹56,000	₹144,000	₹226,750
4.75–4.99	50%	₹7,500	₹7,000	₹16,000	₹56,000	₹144,000	₹230,500
4.50–4.74	20%	₹12,000	₹7,000	₹16,000	₹56,000	₹144,000	₹235,000
Below 4.50	None	₹15,000	₹7,000	₹16,000	₹56,000	₹144,000	₹238,000

BBA (Bachelor of Business Administration)

HSC GPA	Admission Fee Waiver	Admission Fee	Development Fee	Lab Fee (8×2,000)	Semester Fee (8×7,000)	Tuition Fee (48×3,000)	Total
5.00	75%	৳3,750	৳7,000	৳16,000	৳56,000	৳144,000	৳226,750
4.75–4.99	50%	৳7,500	৳7,000	৳16,000	৳56,000	৳144,000	৳230,500
4.50–4.74	20%	৳12,000	৳7,000	৳16,000	৳56,000	৳144,000	৳235,000
Below 4.50	None	৳15,000	৳7,000	৳16,000	৳56,000	৳144,000	৳238,000

Student Life

Over 1,700 students enrolled
Students from all over Bangladesh
Clubs, seminars, and extracurricular activities
Emphasis on ethics, leadership, and innovation

Recognition

First institute affiliated with National University
Over 33 years of academic excellence
Known for producing skilled professionals in science, technology, and business
Operates under a Governing Body of eminent professors and subject experts

Tribute to Dr. Shahida Rafique

Dr. Shahida Rafique, the visionary founder of IST, passed away on March 2, 2025. She was a former Dean of Engineering at the University of Dhaka, earned her Ph.D. from the University of London, and completed postdoctoral research at Kyoto University. Her legacy continues to shape IST's mission and values.

Faculty Members (Selected)

Department of Computer Science and Engineering (CSE)
- M.A. Mazid – Principal, Professor
- Saleh Muhammad Maruf – Assistant Professor

- Ditee Yasmeen – Assistant Professor, Head of Department
- Sanjida Hoque Shoshey, Lutfi Habiba, Tasmi Sultana, Mohammad Hasan – Lecturers
- Md. Saimul Haque Shanto, Nahidul Islam, Md. Habibur Rahman – Faculty Members

Department of Electronics and Communication Engineering (ECE)

- Runa Rukshana Khan – Professor
- Mohammad Liton Hossain, Md. Rakib Hossain, Abu Hena Md. Mustafa Kamal – Assistant Professors
- Md. Shamim Hasan, Md. Nazmul Huda – Lecturers
- Dr. Galib Hashmi – Guest Faculty

Department of Business Administration

- S. M. Ziaul Hasan, Muhammad Ashfaqur Rahman – Professors
- Nafia Laila – Associate Professor, Head of Department
- Mahedi Hasan, Md. Ujjal Hossain, Md. Sarwar Hossain, Tania Akther, Mita Hossain Sarwar – Assistant Professors

Department of Diploma in Engineering

- Farida Nasreen – Director (Diploma), Student Advisor

Course Syllabi (Overview)

IST follows the National University curriculum. Each program includes:

- Core theoretical courses
- Lab-based practicals
- Project work or thesis
- Internships (for BBA and MBA)

For example:

- CSE: Programming, Data Structures, Algorithms, AI, Networking, Software Engineering
- ECE: Analog/Digital Electronics, Signal Processing, Communication Systems
- BBA/MBA: Accounting, Finance, Marketing, HRM, Strategic Management

Research & Publications

Faculty and students publish in local and international journals.

Research areas include:

- AI and Machine Learning
- IoT and Embedded Systems
- Business Analytics
- Communication Systems

IST encourages student-led research projects and final-year theses.

Student Clubs & Activities

Programming Club of IST (pcIST) – Coding contests, hackathons

Business Communication Club (BCC) – Public speaking, case competitions

Electronics, Communication and Robotics Club (ECRC) – Robotics, IoT, hardware projects

Entrepreneurship Cell – Startup incubation, business plan competitions

Infrastructure Snapshot

20 classrooms with digital facilities

4 computer labs, 2 electronics labs

Central Library with ~10,000 books

Auditorium (300-seat capacity)

Ladies Common Room, Canteen, Prayer Room

Notable Alumni (CSE Department)

IST has produced graduates who now work in prestigious organizations worldwide. Here are some highlights:

- Nargis Akter – Senior Test Engineer, ThoughtWire Corp, Canada
- Mohammad Zaidul Karim – Senior Big Data Analyst, TD Bank Group
- Jihad Sarkar – Senior iOS Developer, RBC
- Mizanur Rahman Shelley – Application Development Specialist, Blake, Cassels & Graydon LLP

- Md. Khalilur Rahman – Associate Professor, BRAC University
- Manjurul Karim – Samsung Electronics & Samsung Bangladesh R&D
- Mashuq Rahman – Head of IT, The Premier Bank Limited
- Iqbal Ahmed Fakhrul Hasan – Founder, Divine IT Limited
- Khaleqdad Khan – VP, Head of Payment Products, bKash Limited
- Kranti Mahmud – General Manager, Robi Axiata Limited
- Taposhi Rabeya – Chief Engineer, Samsung R&D Institute Bangladesh
- Saleh Mohammed Maruf – Assistant Professor & Head, CSE, IST
- Said Rasel – Manager, Database Administration, Standard Bank Limited
- Abu Sattadir Hossain – First AVP, IT Division, Global Islami Bank

Career Services & Internships

Career Counseling: IST provides career guidance and resume-building workshops.

Internship Placement: Final-year students are placed in internships with:

- Banks (e.g., Standard Bank, Islami Bank)
- Tech firms (e.g., Samsung R&D, Divine IT)
- Telecom (e.g., Robi Axiata, bKash)

Industry Linkage: Strong ties with corporate partners for job placement.

International Collaborations

While IST is primarily affiliated with the National University of Bangladesh, it draws inspiration from:

- MIT (USA)
- IIT (India)

IST also encourages faculty and student participation in:

- International conferences
- Collaborative research
- Postgraduate studies abroad

Accreditation & Governance

Affiliated with: National University, Bangladesh

Regulated by: A Governing Body of professors from Dhaka University and subject experts

Compliant with: National University academic and administrative standards

Extracurricular Activities & Student Achievements

Electronics, Communication and Robotics Club (ECRC-IST)

- Founded: January 11, 2011
- Motto: Learn, Create, Explore
- Activities:
 - Monthly workshops on electronics, Arduino, microcontrollers, networking
 - Poster presentations, project exhibitions, and robotics contests
 - Courses in three sessions: Winter (Nov–Feb), Summer (Mar–Jun), Rainy (Jul–Oct)
- Achievements:
 - Champion – National Innovation Challenge 2015
 - Champion – Digital Innovation Challenge 2017
 - Champion – National Women Hackathon 2017
 - Runner-up – NSU Cybernauts 2013
 - Runner-up – Code Warriors Challenge 2015
 - 2nd Runner-up – MIST Robolution 2019
 - 10th Position – 1st Bangladesh Electronics Olympiad 2017

Sustainability & Community Outreach

Green Campus Initiative:

- Solar panels installed on rooftops
- Energy-efficient lighting and water-saving systems

Community Engagement:

- Blood donation drives
- Free tech workshops for underprivileged students
- Environmental awareness campaigns

Digital Learning Platforms

Learning Management System (LMS):

- Course materials, assignments, and grades accessible online

Virtual Classrooms:

- Zoom and Google Meet used for hybrid and remote learning

Digital Library:

- Access to e-books, journals, and research databases

Student Housing & Transportation

On-Campus Housing: IST does not currently offer residential dormitories, but it assists students in finding safe, affordable housing nearby in Dhanmondi and Mohammadpur.

Transportation: Students typically use public transport or ride-sharing services. The future campus at Nobodoy Housing is planned to include dedicated student transport services.

Academic Calendar & Exam System

Semester System: IST follows a bi-semester academic calendar under National University guidelines.

- Spring Semester: January–June
- Fall Semester: July–December

Examinations:

- Midterm Exams: Held halfway through each semester
- Final Exams: Conducted at the end of each semester
- Project/Thesis Defense: For final-year students in CSE, ECE, and MBA programs

Grading Policy

Grading Scale (National University Standard):

- A+ (80–100%) = 4.00
- A (75–79%) = 3.75
- A– (70–74%) = 3.50
- B+ (65–69%) = 3.25
- B (60–64%) = 3.00
- C+ (55–59%) = 2.50
- C (50–54%) = 2.25
- D (40–49%) = 2.00
- F (<40%) = 0.00 (Fail)

CGPA Requirement:

- Minimum CGPA of 2.25 required for graduation
- Students must pass all core and elective courses

Student Support Services

Academic Advising: Each department assigns faculty advisors to guide students.

Counseling Services: IST offers mental health and career counseling.

Medical Services: On-campus doctor and first-aid services available.

Financial Aid Office: Helps students apply for scholarships and tuition waivers.

IT Help Desk: Supports students with digital learning tools and lab access.

Faculty Development & Training

IST regularly organizes faculty development workshops on:

- Modern teaching methodologies
- Curriculum design and assessment
- Research writing and publication

Faculty members are encouraged to attend national and international conferences.

Collaboration with Dhaka University professors for academic mentoring and curriculum enhancement.

Institutional Partnerships

Affiliation: National University, Bangladesh

Academic Inspiration: MIT (USA) and IIT (India)

Collaborative Vision: IST is part of the International Center of Science, Technology and Environment for Densely Populated Regions (ICSTED), a regional initiative inspired by Nobel Laureate Dr. Abdus Salam.

ICSTED Goals:

- Promote interdisciplinary research

- Host international conferences
- Facilitate academic exchange in South and Southeast Asia

Awards & Recognition

National Innovation Challenge Champion (2015)

Digital Innovation Challenge Winner (2017)

Women Hackathon Champion (2017)

Recognized by National University for academic excellence and student performance

Alumni placed in top-tier companies and universities globally

Rankings & Reputation

One of the first private institutes affiliated with National University

Celebrating 33 years of academic excellence

Known for producing top-tier professionals in:

- Software Engineering
- Business Administration
- Electronics and Communication

Strong alumni presence in Canada, USA, UK, and the Middle East

Future Plans

New Campus: 8-storied building at Nobodoy Housing, Mohammadpur

- Smart classrooms, labs, digital library, auditorium, rooftop cafeteria

Digital Expansion:

- Full integration of LMS and online assessments
- Virtual labs and simulation tools

Research Hub:

- Establishing a dedicated Research and Innovation Center
- Hosting international conferences under ICSTED

Global Outreach:

- MOUs with foreign universities for student exchange and joint research
