

Q1: What is the history of the Institute of Science and Technology (IST)?

Institute of Science and Technology (IST) is affiliated with National University, Bangladesh, and is celebrating its 33rd anniversary. Over the last decade, IST has gained local and global recognition for producing highly qualified computer experts, scientists, and business experts. The institute aims to empower younger generations and contribute to the nation's development in business, technology, and policy formulation. IST is governed by a body of Dhaka University professors and subject matter experts, operating under the rules and regulations of National University of Bangladesh.

Q2: What is the "IST Journal on Business and Technology (IJBT)"?

The IST Journal on Business and Technology (IJBT) (ISSN: 20070-4135) is a journal published by IST. It accepts research articles and case study analyses from academics, industry researchers, practitioners, and scientists on various aspects of Business and Technology.

Q3: How can I submit a paper to the IJBT?

Papers can be submitted to the IJBT via email to mehedi@ist.edu.bd. Submissions must be original and not previously published or under consideration elsewhere. There are deadlines for submissions, and authors are advised to proofread their work before submitting. Even if a deadline is missed, papers can still be submitted and considered for the next issue.

Q5: Are there any publication charges for the IJBT?

Publication is free of charge for student first authors (although they must submit a 1-page short communication). For regular authors and BAWS members, the fee is 1000 BDT.

Q6: What is the process for paper submission and review for IJBT?

Upon receipt, an acknowledgment will be sent. Papers are forwarded to two referees. After receiving their comments, the editorial board informs authors of the decision. Accepted papers

require payment of publication fees (if applicable), and the paper will be formatted for the journal.

Q7: What was IST's achievement in the National Women's Hackathon 2017?

A team of three students from IST won first prize in the "ICT Hackathon for Women 2017", a 36-hour contest where participants designed, built, tested, and validated innovative solutions.

Q8: Where can I find notices?

Visit our website (www.ist.edu.bd/all-notice) to see all notices.

Q9: Where is IST located?

IST's permanent campus is in Dhanmondi, Dhaka-1209, Bangladesh. House # 54, Road # 15/A (Old-26), Dhanmondi (East of Shankar Bus Stand). It is about 5 minutes from Mirpur road via Dhanmondi 27 no. road.

Q10: What are the contact details for IST?

The Institute of Science and Technology (IST) can be contacted using the following information:

- Address: House # 54, Road # 15/A (Old-26), Dhanmondi (East of Shankar Bus Stand), Dhaka-1209, Bangladesh
- Phone: +88 02-55029352, +88 02-55029353, +88 017 2693 7910 (Hotline)
- Email: info@ist.edu.bd

Q11: What was IST's achievement in the 'ICT Hackathon for Women 2017'?

A team of three students from IST won the first prize in the 'ICT Hackathon for Women 2017'. This was a 36-hour contest where participants designed, built, tested, and validated innovative solutions.

Q12: What was IST's achievement in the 'NSU-IUGPC'18'?

IST's CSE students ranked 1st among all the colleges of the National University in the 'Inter University Girls Programming Contest 2018' (NSU-IUGPC'18) held on January 26, 2018.

Q13: Where can I find recent notices related to the ECE department?

Notices for the ECE department are listed on the ECE Notice page (www.ist.edu.bd/ece-notice).

Q14: Who is Tasmi Sultana?

Tasmi Sultana is a Lecturer in CSE at IST.

Education: M.Sc in CSE (2016, CGPA 3.68, 1st Class 2nd Position), B.Sc (Hons.) in CSE (2012, CGPA 3.46, 1st Class 1st Position) from IST.

Email: toma.tasmi@gmail.com, tasmi.toma@ist.edu.bd

Q15: What are Tasmi Sultana's research interests?

Tasmi Sultana's research areas include Big Data, Network Security, Machine Learning, Data Science, and Web Technology.

Q16: What publications has Tasmi Sultana authored or co-authored?

Tasmi Sultana has contributed to the following publications:

1. Implementation of Improved Security Services on Big Data Transition (IST Journal on Business & Technology, 2024).
2. Image to Source Code Converter (IST Journal on Business & Technology, 2024).
3. ICT in Women Empowerment & Economic Growth in Bangladesh (IST Journal on Business & Technology, 2024).
4. Real-Time Fire Navigation System Using Computer Vision and AI (IJSRP, 2024).

Q17: What are some of Tasmi Sultana's achievements?

Tasmi Sultana achieved 18th position at Inter University Girl's Programming Contest 2019, participated in National Girls Programming Contest 2017 (1st Position among National

University teams), and achieved 1st Position in the Intra University Programming Contest 2015 at IST.

Q18: Has the IST_neverGiveUp team been selected for any competitions?

Yes, Team IST_neverGiveUp has been selected for the ICPC ASIA WEST CONTINENT CHAMPIONSHIP.

Q19: How did IST BBA students perform in the East West University Business Case Competition?

IST BBA students ranked **top** in this competition.

Q20: What are the admission procedures for graduate and master's courses at IST?

Students must use the National University's prescribed application form (cost: **500 BDT**, non-refundable). Submit the completed form with required documents.

Q21: What are the admission procedures for diploma courses at IST?

The admission form costs **150 BDT** (non-refundable) and is available at IST.

Q22: What documents are required for admission to IST?

- 5 passport-sized color photographs
- 2 stamp-sized color photographs
- Original and photocopy of all mark sheets

Q23: What is the hotline number for IST?

The hotline number is **+88 017 2693 7910**.

Q24: What are the social media links for IST?

IST has Facebook, YouTube, and LinkedIn pages.

- Facebook: www.facebook.com/istbd.edu
- YouTube: www.youtube.com/channel/UC7UzEN4TUZ_pRexLbS4f67g
- LinkedIn: www.linkedin.com/in/istedubd

Q25: Where can I find the class routine or exam routine or lab exam routine?

You can find an updated class routine posted on our notice page (www.ist.edu.bd/all-notice). Or contact your class representative or Course Co-ordinator.

Q26: Where can I find notices related to the MCSE program?

MCSE notices, including fee payments, admission details, scholarships, and schedules, are available at the MCSE notice page. (www.ist.edu.bd/mcse-notice)

Q27: Does IST have a library?

Yes. IST has a library. More information is on the IST website under the Library section.

Q28: What are the contact numbers for IST?

Those are the contact number of IST:

- **+88 02-55029352**
- **+88 02-55029353**
- **+88 017 2693 7910**

Q29: What is the general inquiry email address for IST?

The email address is info@ist.edu.bd.

Q30: What are the admission requirements for the CSE undergraduate program?

Applicants must have completed SSC and HSC or equivalent, with minimum GPA requirements as set by the National University.

Q31: What is the procedure for re-admission at IST?

Re-admission details are available through the IST administrative office. You should contact the office for required forms, fees, and deadlines.

Q32: Does IST offer diploma engineering courses?

Yes. IST offers diploma engineering courses in various disciplines. Details are available in the admissions section of the IST website.

Q33: What is the minimum GPA requirement for admission to IST?

Minimum GPA requirements vary by program but generally follow the National University's eligibility criteria.

Q34: Does IST publish its exam schedules online?

Yes. All exam schedules and routines are posted on the IST website under the "Notices" section (www.ist.edu.bd/all-notice).

Q35: What are the office hours for IST?

The IST administrative office operates Sunday to Thursday during standard business hours. Specific timings are available upon request.

Q36: Does IST have a career guidance cell?

Yes. IST maintains a career guidance cell to assist students in career planning, skill development, and job placement.

Q37: Does IST offer scholarships?

Yes. IST provides merit-based and need-based scholarships. Details and eligibility criteria are available in the scholarship section of the IST website.

Q38: Does IST have computer labs?

Yes. IST has four modern computer labs equipped with up-to-date hardware and software for teaching and research purposes. Visit our website (www.ist.edu.bd/computer-lab) to learn more.

Q39: Does IST have engineering labs?

Yes. The Electrical and Communication Engineering department has two advanced labs equipped for practical training and research. Visit our website (www.ist.edu.bd/ece-lab) to learn more.

Q40: Does IST provide internet access to students?

Yes. High-speed internet is available across campus, including in labs, the library, and common areas. You can find free wifi password here (www.ist.edu.bd/free-wi-fi)

Q41: Does IST have multimedia classrooms?

Yes. IST has multimedia-equipped classrooms to support modern teaching methods.

Q42: Does IST have a library?

Yes. IST has a digital library with over 2,000 volumes, journals, and access to online databases.

Q43: Does IST offer free wifi?

Yes. IST offers free wifi. Here are passwords:

- Network SSID: IST Students (Password: 6469istist)
- Network SSID: Com Lab 1 & 2 (Password: comlab12)

Visit our website (www.ist.edu.bd/free-wi-fi) for learning more.

Q44: What extracurricular activities does IST offer?

IST organizes programming contests, debates, seminars, workshops, hackathons, sports events, and cultural programs.

Q45: Does IST have a debating club?

Yes. IST has a debating club that participates in national and inter-university debate competitions.

Q46: Does IST have a programming club?

Yes. IST has a programming club that organizes training sessions, contests, and participates in inter-university competitions.

Q47: What sports facilities does IST offer?

IST provides indoor and outdoor sports facilities, including football, cricket, table tennis, and badminton.

Q48: Does IST organize job fairs?

Yes. IST organizes job fairs in collaboration with leading companies to connect students with potential employers.

Q49: Does IST have hostel facilities?

No. IST does not currently provide on-campus hostel facilities. However, assistance is provided in finding off-campus accommodation. You can ask for help in the facebook community group of ist (www.facebook.com/groups/istan)

Q50: Does IST have medical facilities?

Yes. IST provides basic first aid services and can assist in arranging medical care when needed.

Q51: Does IST have an alumni network?

Yes. IST maintains an alumni association to foster connections between graduates and current students. You can find notable alumni in our website's alumni section.

Q52: What is the IST dress code?

IST expects students to dress in a neat and professional manner. There is not any single specific dress code.

Q53: Does IST offer evening courses?

Yes. Some programs, such as MCSE, have evening classes to accommodate working professionals.

Q54: Does IST have an internship program?

Yes. IST coordinates internships with partner organizations as part of degree requirements or career development.

Q55: What is the IST grading system?

IST follows the grading system prescribed by the National University of Bangladesh.

Q56: How does IST support research?

IST encourages research through its journal (IJBT), faculty guidance, and facilities like labs, the library, and funding for projects.

Q57: Does IST have partnerships with industry?

Yes. IST collaborates with various industries for internships, training, workshops, and joint research initiatives.

Q58: Does IST conduct seminars and workshops?

Yes. IST regularly organizes seminars, workshops, and guest lectures on technology, business, and career development topics.

Q59: Does IST have a cultural club?

Yes. IST has a cultural club that organizes events like music shows, drama performances, and annual cultural programs.

Q60: Does IST publish a newsletter?

Yes. IST publishes newsletters featuring academic updates, achievements, and upcoming events.

Q61: Does IST offer professional certifications?

Yes. IST occasionally offers professional certification courses in areas like networking, programming, and business management.

Q62: Does IST have a student counseling service?

Yes. IST provides academic and career counseling services to support student success.

Q63: How does IST handle student discipline?

IST enforces a code of conduct that promotes academic integrity, mutual respect, and a safe campus environment.

Q64: Does IST offer distance learning?

Currently, IST's programs are primarily in-person, though some online components may be integrated for specific courses.

Q65: Does IST have research funding opportunities?

Yes. IST provides limited research funding for student and faculty projects.

Q66: What are IST's ICT facilities?

IST has advanced ICT infrastructure, including high-speed internet, modern labs, multimedia classrooms, and online library access.

Q67: How can I access the IST digital library?

Students can access the digital library through the IST intranet or with login credentials provided by the administration.

Q68: Does IST have an innovation lab?

Yes. IST maintains spaces for students to develop prototypes, work on startups, and test new technologies.

Q69: Does IST provide support for competitive programming?

Yes. IST's programming club trains and supports students in participating in national and international contests.

Q70: Does IST collaborate with other universities?

Yes. IST collaborates with other universities for academic exchange, competitions, and joint research projects.

Q71: What language of instruction does IST use?

The primary language of instruction is English, though Bengali is also used in certain courses.

Q72: Does IST host international conferences?

Yes. IST occasionally hosts or participates in international academic and industry conferences.

Q73: How does IST support women in STEM?

IST promotes women in STEM through scholarships, mentorship programs, and participation in events like the National Women's Hackathon.

Q74: Does IST offer entrepreneurship support?

Yes. IST encourages entrepreneurship through workshops, networking events, and guidance for startup projects.

Q75: Does IST have a cafeteria?

Yes. IST has a cafeteria offering meals, snacks, and beverages for students and staff.

Q76: What is the ISSN for the IST Journal on Business & Technology?

The ISSN for the IST Journal on Business & Technology is 2070-4135.

Q77: Who authored "Design and Development of an Efficient Algorithm of Sequential Pattern Mining based on Apriori Algorithm using Association Rules"?

This article was authored by Lutfi Habiba and Shahida Rafique.

Q78: Who wrote "Embedding Statistical Data into Maps using QGIS and AnyMap"?

The authors are Mohammad Liton Hossain, Runa Rukshana Khan, Tafi Ahmed, and Md. Abdul Mazid.

Q79: Who are the authors of "PWM and Bluetooth Based HomeAutomation Systems"?

This article was written by Mohammad Ali, Md. Rakib Hossain, Abu Hena Md. Mustafa Kamal, and Md. Khalilur Rahman.

Q80: Who authored the article "Sentiment Analysis and Opinion Mining on Social Media Text Data"?

The authors are Sanjida Hoque Shoshey, Md. Moniruzzaman, and Shahida Rafique.

Q48: Who wrote "Design and Development of an Antenna array system"?

This article was written by Md. Rakib Hossain, Mohammad Ali, Runa Rukshana Khan, and Md. Abdul Mazid.

Q51: Where can I find information about IST's student clubs?

A51: The provided content mentions "Student Clubs" as a section on our website, suggesting more information can be found there.

Q52: Where can I find the application details for the IST Governing Body (2024-2026) Beneficiary Representative Election?

The application details were posted on March 21, 2024 and a download link was likely available in the notices section, but the specific details were not included in the scraped content.

Q56: What were the achievements of the ECE department at IST?

The ECE department has achieved the following:

- 1st Place, National Innovation Challenge 2015: For creating a solar-powered cycle.
- Runner Up, Code Warriors Challenge 2015: Organized by BASIS Institute of Technology & Management (BITM) and ICT Division.
- Participation in Inter-University Tech Fest 2012, KUET: A 2-day technology festival.
- Runner Up, TechnoCraze_2019, Chittagong University of Engineering and Technology: Organized by Andromeda Space and Robotics Research Organization (ASRRO).
- Runner Up, NSU Cybernauts 2013.

Q57: What are the admission requirements for programs at IST?

You can find more details in the "Admission Notice" section of their website. Those notices can be accessed via the Admission Notice page (www.ist.edu.bd/admission-notice).

Q58: Can I pay fees online at IST?

There are multiple ways to make payments at IST (such as: bKash, student seba). You can check out our website or contact the IST office for more information. This link (ist.edu.bd/bkash-payment-procedure) can help to learn about bKash payment procedure.

Q59: How do I pay the application fee for the BSc Professional Honours program via Bkash?

Please consult the IST website or contact their admissions office for the payment instructions. This link (ist.edu.bd/bkash-payment-procedure) can help to learn about bKash payment procedure.

Q60: What are the achievements of the ECE department at IST?

Several ECE students have achieved first class or high CGPA positions in National University results across different batches. Here's a breakdown:

1. Mohammad Golam Hafiz (2005-2006): NU, 1st Class First
2. Mohammad Liton Hossain (2006-2007): NU, 1st Class First
3. Swarup Saha (2007-2008): CGPA: 3.45, NU, 1st Position
4. Mohammad Ali (2008-2009): CGPA: 3.57, NU, 1st Position
5. Anjoy Ronjon Das (2009-2010): CGPA: 3.48, NU, 1st Position
6. Remon Kajol (2010-2011): CGPA: 3.52, NU, 1st Position
7. Sagar Kumar Basak (2011-2012): CGPA: 3.56, NU, 1st Position
8. Bikramaditya Sana (2012-2013): CGPA: 3.65, NU, 1st Position
9. Rubaiyat Imroze (2013-2014): CGPA: 3.54, NU, 1st Position
10. Md. Shawkot Hossain (2014-2015): CGPA: 3.80, NU, 1st Position

Q66: Who is Dr. Shahida Rafique and what is their background?

Dr. Shahida Rafique is the Chairman of IST and President of BAWS. She is an Emeritus Professor. Her research focuses on solar energy, including solar irradiation computation, solar radiation analysis in Bangladesh, and the performance of solar panels. She has published papers in the Solar Energy Journal and presented at various international conferences. Some of her publications include:

- A Software for Computation of Solar Irradiation on the Earth Surface at the Location 23°46' to 25°02'N and 89°50'E to 90°46'E: Its comparison on Earth's surface.
- An approach to compute solar irradiance at the top of the atmosphere through software: its spatial pattern on the earth surface at the location 20°34' to 26°38'N and 81°1' to 92°41' E.
- Statistical Analysis of Rainfall and Solar Radiation: Bangladesh Region.
- Two Dimensional Fast Fourier Transformation of Global Radiation with Time.

- Solar Radiation in Bangladesh. A Qualitative evaluation of the expected values due to climate change.
- Performance Study of Locally Fabricated Solar Panel.
- Solar radiation in Bangladesh :a qualitative evaluation of the expected values due to climate change.
- Time series spectrum analysis of Solar Radiation In Bangladesh.
- Time series Analysis of Solar Radiation to develop PV technology in Bangladesh and involve Women.
- Renewable Energy Education and Research Program in Postgraduate Level Curricula; A case study and analysis.

Q67: Who is Sanjida Hoque Shoshey and what is their background?

Sanjida Hoque Shoshey is a Lecturer in the Department of Computer Science and Engineering at the Institute of Science and Technology (IST). She has an M.Sc in Computer Science & Engineering (CSE) from IST, National University (2013, CGPA: 3.61/4.00) and a B.Sc (Hons.) in Computer Science & Engineering (CSE) also from IST, National University (2012, CGPA: 3.42/4.00). She joined IST as a faculty member in 2015 and became a lecturer in 2017. Her email address is shoshey.return@gmail.com.

Q68: Who is Lutfi Habiba and what is their background?

Lutfi Habiba is an Assistant Professor in the Department of Computer Science and Engineering at the Institute of Science and Technology (IST). She earned her M.Sc in Computer Science & Engineering from IST, National University in 2013 with a CGPA of 3.59 out of 4.00. She also completed her B.Sc (Hons.) in Computer Science & Engineering from the same institution in 2012 with a CGPA of 3.50 out of 4.00. Her email address is lutfihabiba@gmail.com.

Q69: What courses are offered in the 7th semester of the CSE program?

The 7th semester of the CSE program includes Artificial Intelligence, Artificial Intelligence Lab, Compiler Design and Construction, Compiler Design Lab, Computer Graphics, Computer Graphics Lab, E-Commerce and Web Engineering, and E-Commerce and Web Engineering Lab.

Q70: Who is Md. Abul Kalam Azad?

Md. Abul Kalam Azad is a faculty member at the Institute of Science and Technology (IST).

Q71: Who is Saiful islam Saif?

Saiful islam Saif is a faculty member at the Institute of Science and Technology (IST).

Q72: What is the publication "Non-Financial Factors Motivate Women in Workplace: A Case Study Based on Unilever Bangladesh Ltd."?

This is a publication by Muhammad Ashfaque Rahman, Md. Sarwar Hossain, Nafia Laila, and Mita Hossain, published in the IST Journal on Business & Technology. Vol. 8(1), June 17: ISSN: 2070-4135.

Q73: What is the Institute of Science and Technology (IST) affiliated with?

IST is affiliated with National University, Bangladesh.

Q74: How long has IST been operating?

IST is celebrating its 29th anniversary, indicating it was founded approximately 29 years prior to 2025.

Q75: Who are Afroza Sultana, Ide Afroze Nayeema, and Ditee Yasmeen?

They are authors of a publication in the IST Journal on Business & Technology titled "Implementation of Image Steganography for Secure Data Communication", published in Vol. 9, No. 1, June 19 (ISSN: 2070-4135).

Q76: Where can I find the "Implementation of Image Steganography for Secure Data Communication" publication?

It's published in the IST Journal on Business & Technology, Vol. 9, No. 1, June 19 (ISSN: 2070-4135). A download link may be available on the IST website (www.ist.edu.bd/all-journal-volumes).

Q77: Who are some notable ECE alumni of IST and what are they doing now?

IST has a number of successful ECE alumni. Here are a few examples:

- Rubayet Tanveer (ECE 3rd Batch): PhD Student at the University of Tennessee, Knoxville, U.S.A.
- Al-Amin Opu (ECE 5th Batch): Co-Founder and Tech Lead at NearOnes, Netherland.
- Md. Al-Amin Hossen (ECE 5th Batch): ICT Officer at Norwegian Refugee Council.
- Md. Abdul Baset Sarker (Chayan) (ECE 4th Batch): Graduate Student at Clarkson University, New York, USA.
- Abdur Rahim (ECE 2nd Batch): DGM, Product & Technology at bKash Limited.
- Md. Tauhidul Haque (ECE 2nd Batch): Assistant Manager (Core Network) at ADN Telecom Limited, Bangladesh.
- Mohammad Ali (ECE 4th Batch): Senior Officer at Rupali Bank Limited.
- Sakif Samih-Ul Haq (ECE 5th Batch): Information Technology (IT) Officer at The City Bank Ltd.
- Md AlRasel (ECE 6th Batch): Software Engineer at Fujisoft incorporation, Japan.
- Imran Khan Sweet (ECE 4th Batch): Network Engineer at Bangladesh Army.
- Saeef Minhaz Shovon (ECE 6th Batch): Android Developer at Sheba.xyz.
- Md Sakib Mahfuz Evan (ECE 8th Batch): Network Engineer at Amra Network.
- Munia Akter Rispa (ECE 7th Batch): Software Engineer at Smarttech IT Solution Limited.
- Farzana Haque Sonia (ECE 6th Batch): System Engineer at Summit Communication Ltd.
- M. A. Rana (ECE 3rd Batch): Technical Officer at National University.
- Rajeeb Bhuiyan (ECE 3rd Batch): Computer Instructor at Ministry of Education.
- Md. Shoharab Hossain (ECE 4th Batch): Sub inspector (SI) at Bangladesh Police.
- Md. Mazedul Haque Efat (ECE 7th Batch): Assistant Officer, IT at Incepta Pharmaceuticals.

Q78: What was the publication by Jahirul Kader, Jannatul Fardous, and Shafiquel Islam?

They published "Design and Development of a System Danger Path Alert Message for a Vehicle Using Android and Web Service" in the IST Journal on Business & Technology. Vol. 9, No. 1, June 19: ISSN : 2070-4135.

Q79: Who are some of the BBA alumni from IST and what are they doing now?

Several BBA alumni are listed with their batch, current position, and employer:

- Suman Roy (BBA 5th Batch): Manager, Audit and Advisory Services at Zahur & Mostafiz Chartered Accountants
- Tania Akther (BBA 5th Batch): Lecturer, Dept. of Business Administration at Institute of Science and Technology
- Md. Rasel Pervez (BBA 5th Batch): Logistics Associates Operation Specialist at Kellogg (Australia) Pty Ltd Sydney, Australia
- Sumona Hasan (BBA 5th Batch): Entrepreneur
- Juwel Shaha (BBA 5th Batch): Executive Officer at Royal Group of Company
- Rashada Akter Borna (BBA 5th Batch): Compliance Executive at Fakir Fashion Limited
- Mahedi Hasan (BBA 6th Batch): Assistant Professor, Dept. of Business Administration at Institute of Science and Technology
- K. M. Hossain Buppy (BBA 6th Batch): HR Professional at Akij Group
- Nazrul Islam (BBA 6th Batch): BRAC Bank Limited
- Sawkot Jamil (BBA 6th Batch): Area sales manager at VIVO
- Rashed Rafique Rupom (BBA 6th Batch): Senior Executive, Corporate Sales at PRAN-RFL Group
- Mohammad Abdullah Al Azim (BBA 6th Batch): NRB Commercial Bank Limited
- Md. Ujjal Hossain (BBA 7th Batch): Assistant Professor, Dept. of Business Administration at Institute of Science and Technology
- Md. Sarwar Hossain (BBA 8th Batch): Assistant Professor, Dept. of Business Administration at Institute of Science and Technology
- Mita Hossain Sarwar (BBA 8th Batch): Lecturer, Dept. of Business Administration at Institute of Science and Technology

Q80: What are the recent notices published by IST?

You can find the recently published notices in our websites notice page (www.ist.edu.bd/all-notice).

Q81: Tell me more about IST.

Institute of Science and Technology (IST) was established in 1993 as the first institute affiliated with National University, Bangladesh. It is a non-profit, non-political educational institution modeled after MIT (US) and IIT (India). IST boasts highly qualified and experienced full-time faculty, multimedia classrooms, four modern computer labs, two electrical and communication labs with advanced equipment, a digital library with over 10,000 books, and a spacious campus with indoor sports facilities.

Q82: Why should I study CSE at IST?

IST was the first institute under National University, Bangladesh to offer B.Sc. Honors in Computer Science (1993), later renamed Computer Science and Engineering (CSE) in 2005-2006. IST has full-time faculty including Professors, Associate Professors, Assistant Professors, and Lecturers. CSE graduates are in demand across various industries and can develop problem-solving and analytical skills, even working as freelancers. Job opportunities include Computer Scientist, Software Developer, Software Engineer, Database Administrator, Python Developer, .Net Developer, Network and Communication Engineer, Information Security Analyst, Computer System Analyst, Hardware Engineer, Web Developer, UI/UX Designer, IT Support Engineer, Game Developer, and Data Scientist.

Q83: What are the admission requirements for the B.Sc. in CSE program?

Applicants need an SSC (2018-19) with a GPA of 3.00 or higher and an HSC (2020-21) with a GPA of 2.5 or higher. A minimum GPA of 3.00 in Mathematics/Physics/Chemistry is required. Applicants with a Diploma in Engineering or GCE qualifications (at least three subjects in 'O' Level and two subjects in 'A' Level with at least three B-grades and two C-grades, and Mathematics compulsory for GCE) are also eligible.

Q84: What are the admission requirements for the BBA program?

For Humanities students, an SSC (2018-19) and HSC (2020-21) with a GPA of 2.5 or higher is required. For Business Studies and Science students, an SSC (2018-19) with a GPA of 3.00 or higher and an HSC (2020-21) with a GPA of 2.5 or higher is required. A minimum GPA of 3.00 in Accounting/Mathematics/Economics/Statistics/Production Management & Marketing/Business Organization & Management/Finance, Banking & Insurance is necessary. Applicants with a Diploma in Commerce or GCE qualifications (at least three subjects in 'O' Level and two

subjects in 'A' Level with at least three B-grades and two C-grades, and Accounting compulsory for GCE) are also eligible.

Q85: What are the admission requirements for the MBA program?

Applicants need a 4-year Professional BBA (Hons.) degree/BBA (Hons.) from National University or a UGC-approved public/private university with a minimum CGPA of 2.25 or 45% marks.

Q86: Is there a waiver on the admission fee?

Yes, waivers are available based on HSC/equivalent GPA: 75% waiver for 5.00 GPA, 50% for 4.75 to <5.00, and 25% for 4.50 to <4.75.

Q87: What other scholarships or financial assistance does IST offer?

Students with a 4.00 GPA in a semester final exam get a 100% tuition fee waiver for the next semester. The top two students in the final exam (minimum GPA 3.50) receive a 50% tuition fee waiver. Special waivers are available for siblings of current students and for female students (in certain cases). Merit and orphan scholarships are also offered.

Q88: What is IST's hotline number?

The hotline number for IST is 017 2693 7910.

Q89: What are the undergraduate programs offered at IST?

IST offers the following undergraduate programs:

B.Sc. (Hons.) in CSE (4 Year Course, 8 Semesters):

- SSC (2019-21) with GPA 3.00 or more & HSC (2021-23) with GPA 2.5 or more.
- Minimum GPA 3.00 in Mathematics/Physics/Chemistry.
- Diploma in Engineering.
- GCE at least 3 subjects in "O" Level and 2 subjects in "A" Level; should have at least 3 B-Grade & 2 C-Grade. For GCE Mathematics is compulsory.

Bachelor of Business Administration (BBA) (4 Year Course, 8 Semesters):

- For Humanities, SSC (2018-19) & HSC (2020-21) with GPA 2.5 or more.
- For Business Studies & Science, SSC (2018-19) with GPA 3.00 or more & HSC (2020-21) with GPA 2.5 or more.
- Minimum GPA 3.00 in Accounting/ Mathematics/ Economics/ Statistics/ Production Management & Marketing/ Business Organization & Management/ Finance, Banking & Insurance.
- Diploma in Commerce.

B.Sc. (Hons.) in ECE (4 Year Course, 8 Semesters):

- SSC (2018-19) with GPA 3.00 or more & HSC (2020-21) with GPA 2.5 or more.
- Minimum GPA 3.00 in Mathematics/Physics/Chemistry.
- Diploma in Engineering.
- GCE at least 3 subjects in “O” Level and 2 subjects in “A” Level; should have at least 3 B-Grade & 2 C-Grade. For GCE Mathematics is compulsory.

Q90: What are the postgraduate programs offered at IST?

IST offers a one-year regular Master of Computer Science and Engineering (MCSE) and Master of Business Administration (MBA) program in the evening.

Q91: What are the class timings for different programs at IST?

Bachelor programs are offered in two shifts: morning (starting at 10:00 am) and afternoon (starting at 1:30 pm). Master's programs are offered in the evening.

Q92: What is the tuition fee structure for the postgraduate programs?

The fee structure for the 1-year master's programs are:

MCSE: Tuition Fee: 65,000 tk, Admission Fee: 14,000 tk

MBA: Tuition Fee: 66,000 tk, Admission Fee: 12,000 tk

Q93: What is the admission fee waiver policy?

IST offers admission fee waivers based on HSC/equivalent GPA:

- 5.00 GPA: 75% waiver
- 4.75 to < 5.00 GPA: 50% waiver
- 4.50 to < 4.75 GPA: 25% waiver

Q94: What scholarships and assistantships are available at IST?

IST offers several scholarships and assistantships, including:

100% tuition fee waiver for students achieving a 4.00 GPA in the semester final exam.

50% tuition fee waiver for the top two students in the final exam (minimum GPA 3.50).

Special waivers for siblings of current IST students.

Special waivers for female students (on a case-by-case basis).

Merit and orphan scholarships from Shahida Rafique (SR) and Rizia Haque (RH) fund.

Poor fund scholarships.

Teaching assistantships.

Note: A minimum of 80% class attendance is required for all waivers/scholarships.

Q95: What documents are required for admission?

Required documents include:

Filled admission form.

Five passport-sized color photographs.

Two stamp-sized color photographs.

Original and photocopies of all academic mark sheets.

Q96: What is the Bkash number for IST?

Our Bkash payment number is +88 017 2693 7910. Visit this page

(ist.edu.bd/bkash-payment-procedure) to learn about bkash payment procedure.

Q97: What is the breakdown of fees payable during admission to a Bachelor program?

The breakdown is as follows:

Admission Form Fee: 500 tk (Non-refundable)

Admission Fee: 10,000 tk (Non-refundable)

Development Fee: CSE/ECE: 10,000 tk, BBA: 8,000 tk (Non-refundable)

Semester Fee: CSE/ECE: 9,000 tk, BBA: 8,000 tk

Lab Fee: 4,000 tk (CSE/ECE only)

Extra-curricular Fee: 4,000 tk

Total: CSE/ECE: 37,500 tk, BBA: 30,500 tk

*Admission fee waivers are applicable based on HSC results.

Q98: Who is Md. Ujjal Hossain?

Md. Ujjal Hossain is Assistant Professor in the Department of Business Administration. You can contact him via email: ujjalist2017@gmail.com

Q99: Did IST students participate in the ACM International Collegiate Programming Contest?

Yes, every year multiple teams from IST participate in the ACM International Collegiate Programming Contest.

Q100: Who is Mita Hossain Sarwar and what is their background?

Mita Hossain Sarwar is an Assistant Professor in the Department of Business Administration at the Institute of Science and Technology (IST). Her email address is mitaistbba1080@gmail.com. She holds an MBA (Marketing) from IST, graduating in 2014 with a CGPA of 3.90 out of 4. She also completed her BBA (Marketing) from IST in 2013 with a CGPA of 3.57 out of 4.

Q101: What are Mita Hossain Sarwar's research areas?

Her publications suggest research interests in relationship marketing, consumer behavior, workplace motivation, digital marketing, and leadership & management.

Q102: What are Mita Hossain Sarwar's publications?

She has published the following articles:

- "Growing Importance of Training at Workplace." Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Impacts of Relationship Marketing on Consumers' Purchasing Decision-Bangladesh Perspective." Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Non-financial factors motivate women in workplace: a study based on Uniliver." Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Digitalization and Marketing." Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.
- "Leadership and Management." Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.

Q103: What are the published volumes of the IST Journal on Business & Technology?

The available volumes include:

Vol. 10, No. 1, December 2024 (ISSN: 2070-4135)

Vol. 9(1), June 2019 (ISSN: 2070-4135)

Vol. 8(1), June 2017 (ISSN: 2070-4135)

Q104: Who is Iqbal Ahmed Fakhru Hassan?

Iqbal Ahmed Fakhru Hassan is listed as an alumnus of the Institute of Science and Technology (IST). He is the founder of Divine IT Limited.

Q105: Who is Prof. M.A. Majid?

Prof. M.A. Majid is the Principal of IST.

Q106: Who was Professor Dr. Shahida Rafique?

Professor Dr. Shahida Rafique was the founder and Chairman of the Board of Directors of IST, and former Dean of the Faculty of Engineering and Technology at Dhaka University.

Q107: What was the outcome of IST's participation in the National Girls Programming Contest (NGPC) 2018?

A team from IST participated in the NGPC 2018 held at Daffodil International University and achieved 20th position out of 105 participating teams.

Q108: Who is Md Habibur Rahman and what is their background?

Md. Habibur Rahman is a Faculty Member in the Department of Computer Science and Engineering (CSE) at the Institute of Science and Technology (IST). He completed his SSC from Dinajpur Board and HSC from Dhaka Board. He earned his B.Sc. in Computer Science and Engineering from Daffodil International University (DIU) in 2023 with a CGPA of 3.85 out of 4. He also completed his M.Sc. in Computer Science and Engineering from Jahangirnagar University (JU) in 2024. After his undergraduate studies, he worked as a website developer and instructor at several organizations. His email address is mhrahman.cs@gmail.com.

Q109: What are Md Habibur Rahman's research interests?

Md Habibur Rahman's research areas include Computer Security & Privacy, Applied Cryptography, Machine Learning, and NLP.

Q110: What publications has Md Habibur Rahman authored?

He has co-authored the publication: H. Rahman, T. Islam, M. M. Rana, R. Tasnim, T. R. Mona and M. M. Sakib, "Machine Learning Approach on Multiclass Classification of Internet Firewall Log Files," 2023 International Conference on Computational Intelligence and Sustainable Engineering Solutions (CISES), Greater Noida, India, 2023, pp. 358-364, doi: 10.1109/CISES58720.2023.10183601.

Q111: Who is Md. Shamim Hasan and what is their background?

Md. Shamim Hasan is a Lecturer in the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST). He completed his SSC and HSC under Jessore Board in 2008 and 2010, respectively. He earned his B.Sc. in Electronics and Communication Engineering from IST under National University, Bangladesh in 2015 with a 1st Class 2nd position. He received his M.Sc. in Computer Science from Jahangirnagar University in 2019 with a 1st Class 4th position. He is currently pursuing a PhD in Computer Science and Engineering from Jahangirnagar University, having completed Part 1 (Theory). He has participated in several competitions, workshops, and national and international conferences. His email addresses are shamimist@ist.edu.bd and shamimist@gmail.com.

Q112: What are Md. Shamim Hasan's research interests?

His research areas include Solar System, Electronics Circuit design, Digital Image Processing, Artificial Intelligence, Deep Learning, and Neural Networks.

Q113: What publications has Md. Shamim Hasan authored?

He has co-authored the following publications:

- Galib Hashmi, Md. Shamim Hasan, Md. Mazedul Haque Efat & Md. Habibur Rahman, "Portable solar panel efficiency measurement system," Springer Nature Applied Sciences volume 2, Article number: 56 (2020).

- Md. Shamim Hasan, Md. Mazedul Haque Efat, and Galib Hashmi “Design and Development of Solar Panel Parameters and Efficiency Measurement System,” in International Conference on Physics, BPS, 2018.
- M. L. Hossain, Md. S. Hasan, K. Md. Abid, and S. Ahmed, “Developing an image processing based real-time driver drowsiness detection system,” International Journal of Scientific and Research Publications, vol. 13, no. 4, 2023. Available: 10.29322/ijsrp.13.04.2023.p13622

Q114: Where can I find general notices and announcements from IST?

General notices and announcements are available on the IST website under the "General Notice" section. (www.ist.edu.bd/general-notice)

Q115: Where can I find notices specifically related to the BBA program?

BBA-related notices can be found on the IST website under the "BBA Notice" category. (www.ist.edu.bd/category/notice/bba-notice)

Q116: What is the tuition fee structure for programs at IST?

The fee structure varies depending on the program and HSC/equivalent GPA.

Bachelor Degrees (4 years):

- CSE: Total fees range from 2,26,750 BDT to 2,38,000 BDT depending on GPA with waivers available for high GPA scores.
- ECE: Total fees range from 1,95,500 BDT to 2,03,000 BDT depending on GPA with waivers available for high GPA scores.
- BBA: Total fees range from 1,83,500 BDT to 1,91,000 BDT depending on GPA with waivers available for high GPA scores.

Master's Degrees (1 year):

- MCSE: 65,000 BDT
- MBA: 66,000 BDT

These fees do not include National University registration fees, form fill-up fees, or internal examination fees. See the detailed fee structure on the IST website for a complete breakdown of costs per semester for each program and GPA level.

Q164: Who is Md. Saimul Haque Shanto and what is their background?

Md. Saimul Haque Shanto is a Faculty Member in the Department of Computer Science and Engineering (CSE) at the Institute of Science and Technology (IST). He completed his B.Sc. in Software Engineering from Islamic University of Technology (IUT) with a CGPA of 3.76 out of 4. He is currently pursuing his M.Sc. in Computer Science and Engineering at Bangladesh University of Engineering and Technology (BUET). He previously worked as a lecturer at International Standard University (ISU) and Green University of Bangladesh (GUB). His email address is saimulshanto007@gmail.com.

Q165: What are Md. Saimul Haque Shanto's research interests?

Md. Saimul Haque Shanto's research areas include Object Detection and Deep Learning in Computer Vision, Multimodal Machine Learning, and Human Computer Interaction (HCI).

Q166: What publications has Md. Saimul Haque Shanto authored?

He co-authored the publication: A.N. Ashik, M.S.H. Shanto, R.H. Khan, M.H. Kabir and S. Ahmed, "Recognizing Bangladeshi Traffic Signs in the Wild," 2022 25th International Conference on Computer and Information Technology (ICCIT), Cox's Bazar, Bangladesh, 2022, pp. 1004-1009, doi: 10.1109/ICCIT57492.2022.10055612

Q167: Who are the authors of the publication "Digitalization and Marketing: Bangladesh Perspective"?

The authors are Md. Sarwar Hossain, S. M Maruf, Mita Hossain, and Ujjal Hossain.

Q168: Who is Mohammad Liton Hossain and what is their background?

Mohammad Liton Hossain is an Assistant Professor in the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST), Bangladesh. He joined IST in 2014. He holds an M.Sc. in Computational Science and Engineering (2018) from the University of Rostock, Germany, graduating with First Class honors. He also earned a B.Sc. in Electronics and Communication Engineering (2012) from the National University of

Bangladesh, achieving First Class First with Distinction. He has significant internship and professional experience in Oracle Database management in both Bangladesh and Germany and is a certified IBM Data Analytics Professional. His research interests include Data Analytics and Renewable Energy.

Q169: What are Mohammad Liton Hossain's research areas?

Mohammad Liton Hossain's research areas include Database systems, Renewable Energy, and Machine Learning.

Q170: What are Mohammad Liton Hossain's publications and conference papers?

Some Journal Publications are:

- W. S. Sakib, A. Bin Shams, M. R. Romel, R. T. Ridi and M. L. Hossain, "Low Latency Single-Cycle EOG Classification Using Cascaded ANN & CNN," 2024 27th International Conference on Computer and Information Technology (ICCIT), Cox's Bazar, Bangladesh, 2024, pp. 423-428, doi: 10.1109/ICCIT64611.2024.11022078.
- Taufik JTB, Haque MM, Nahar K, Islam R & Hossain ML, "Design and Evaluation of a Low-Cost, Solar-Powered Smart Irrigation System Using Arduino and GSM", Life Science Studies, 02(01), 24-33.
- M. L. Hossain, S. M. N. Shams, and S. M. Ullah, "Comparative study of machine learning algorithms for wind speed prediction in Dhaka, Bangladesh," *Sustainable Energy Research*, vol. 11, p. 23, 2024. doi: 10.1186/s40807-024-00109-z.

Some Conference Papers are:

- W. S. Sakib, A. B. Shams, M. R. Romel, R. T. Ridi, and M. L. Hossain, "Low Latency Single-Cycle EOG Classification using Cascaded ANN & CNN," in Proceedings of the 27th International Conference on Computer and Information Technology (ICCIT), Cox's Bazar, Bangladesh, Dec. 2024.
- Hossain, M. and Alam, N., Electrically Powered Vehicles Battery Management System: Cooling for Parked Vehicles. In: International Conference on Electronics and Informatics 2021.

Q171: What are the graduate programs offered at IST?

IST offers the following graduate programs:

- M.Sc in Computer Science and Engineering (1 Year Course, 2 Semesters): 4 Years Bachelor degree in CSE or equivalent academic programs from the National University with a minimum CGPA of 2.25/45% Marks.
- MBA (1 Year Course, 2 Semesters): 4 Years Professional BBA (Hons.) degree/BBA (Hons.) from the National University/ UGC Approved any Public/Private Universities with a minimum CGPA of 2.25/45% Marks.

Q186: How can I contact Mohammad Liton Hossain?

You can contact Mohammad Liton Hossain via email at litu702@ist.edu.bd or litu702@gmail.com.

Q187: Where can I find the results published by the Institute of Science and Technology?

There is a "Result" page on the IST website. You can find results by navigating to this section on our website. (www.ist.edu.bd/results)

Q188: How did IST perform in the CUET Inter University Programming Contest?

The IST_neverGiveUp team secured 18th place out of 100 teams in the Kinetik Presents CUET Inter-University programming Contest CodeStorm 1.0.

Q189: What is the IST_neverGiveUp team?

IST_neverGiveUp is a programming team representing the Institute of Science and Technology (IST) that participates in different programming contests.

Q190: How did IST perform in the National Girls Programming Contest in 2017?

IST's team, IST_Final_Shoot-out, ranked 1st among all the colleges of National University in the National Girls Programming Contest in 2017. They also qualified for the first-ever national girls programming camp.

Q191: What programs are offered at the Institute of Science and Technology (IST)?

IST offers a B.Sc (Hons.) in Computer Science and Engineering (CSE) and an M.Sc in CSE. The B.Sc program is 4 years long, comprising 138 credit hours, including a dissertation (102 credits theory, 30 credits lab, 6 credits project), and 8 semesters. The M.Sc program is 1 year long, with 2 semesters, and requires 33 credit hours including a dissertation (Thesis Group 21 credits theory, 12 credits thesis; Non-thesis Group 27 credits theory, 6 credits project). IST also offers a BBA program, as evidenced by the final preparation test routine for the first semester.

Q192: What is the history of the Computer Science and Engineering (CSE) department at IST?

IST first offered a B.Sc honors in Computer Science in 1993, making it the first institute under National University of Bangladesh to do so. The program started with 46 students. In 2005-2006, the program was renamed Computer Science and Engineering (CSE). The M.Sc program in CSE began in the 1996-1997 session. Over 1400 students have graduated with a B.Sc in CSE, over 400 with an M.Sc in CSE, and 17 graduates have completed [Ph.Ds](#).

Q193: What are the career prospects for CSE graduates from IST?

CSE graduates from IST have pursued diverse careers, including CEO, CTO, project manager, software engineer, technical leaders, cloud services developer, system analyst, database and network administrator, and web developer. Alumni work at organizations like Warner Brothers, Samsung R&D, Kona SL, BASIS, Divine IT Limited, LEADS Corporation Ltd, Robi Axiata Ltd, Grameen phone, National University, Brac University, Daffodil University, Sonali Bank Ltd, Premier Bank Ltd, Exim Bank, Somoy TV, and Boishakhi TV.

Q194: What facilities are available at IST?

IST has two campuses. The current Dhanmondi campus offers a peaceful environment, spacious air-conditioned classrooms, a library with around 10,000 books, an auditorium, and on-campus medical services. The future campus in Mohammadpur will have eight stories including air-conditioned multimedia classrooms, computer labs, electrical, communication, hardware, and network labs, a server room, IT support room, a digital library, separate prayer rooms, separate common rooms, an auditorium, seminar/conference rooms, a mosque, a rooftop cafeteria, an open terrace, substations, solar panels, lifts, stairs, fire escapes, faculty and administrative rooms, a teacher's lounge, a playground, and an information center. It is designed with a focus on natural light, air flow, and a green environment.

Q195: What is IST's achievement in NSU Cybernauts 2013?

IST was the runner-up in the NSU Cybernauts 2013 programming contest.

Q196: What faculties and departments are available at IST?

IST has three faculties:

1. Faculty of Engineering
2. Faculty of Business Administration
3. Diploma in Engineering

The departments include:

1. Department of Computer Science & Engineering
2. Department of Business Administration
3. Department of Electronics and Communication Engineering
4. Department of Diploma in Engineering

Q197: Where can I find the latest notices for the CSE department?

The CSE Notice page (www.ist.edu.bd/cse-notice) provides links to various notices, including exam schedules, fee payment information, and scholarship applications.

Q198: Has IST published any research on solar panels?

Yes, a publication titled "Design and Improvement of Efficiency for Sun Tracking Solar Panel" is listed on their website at

(www.ist.edu.bd/journal-publication/design-and-improvement-of-efficiency-for-sun-tracking-solar-panel).

Q199: Who is Runa Rukshana Khan and what is their background?

Runa Rukshana Khan is a Professor in the Department of Electronics and Communication Engineering at IST. She also serves as the Deputy Academic Director. She obtained her M.Sc in Statistics from Jahangirnagar University in 1992 and her B.Sc from the same university in 1991. She joined IST as a Lecturer in 1995 and was promoted to Assistant Professor in 2001. She is

currently pursuing her Ph.D. at Jahangirnagar University, focusing on Sustainable Renewable Energy. She is a C & D member and an Executive Member of the Finance Committee at IST.

Q200: What are Runa Rukshana Khan's research areas?

Her primary research area is Sustainable Renewable Energy.

Q201: What books has Runa Rukshana Khan published?

She has authored the following books:

- BBA Business Statistics-I, Questions & Solutions, National University, (204 pages) Prominence Publications, First Edition: March 2014
- BBA Business Statistics-II, Questions & Solutions, National University, (172 pages) Prominence Publications, First Edition: March 2013
- Business Statistics -I, Renaissance Publications, First Edition: October 2016
- Business Statistics -II, Renaissance Publications

Q202: What are some of Runa Rukshana Khan's notable publications?

Some of her key publications include:

- 50 years of Independence of Bangladesh: Contribution of Women in Socio Economic Field. Organized by Bangladesh Association of Women Scientist (BAWS), 2021.
- 50 years of Independence of Bangladesh: Contribution of Women combating COVID-19 crises. Organized by Bangladesh Association of Women Scientist (BAWS), 2021.
- Mohammad Liton Hossain, Runa Rukshana Khan, Tafi Ahmed, Md Abdul Mazid. Embedding Statistic Data into Maps using QGIS and any Map. Published in IST Journal on Business and Technology, Volume 9(1), June 2019.
- Khadija Akter, Abu Hana Md. Mostafa Kamal, Mohammad Ali, Runa Rukshana Khan. Design, development and implementation of an intelligent Soil Analyzer. Published in IST Journal on Business and Technology, Volume 9(1), June 2019.
- Palash Hawee, Abu Hana Md. Mostafa Kamal, Md Rakib Hossain, Runa Rukshana Khan. Design and improvement of Efficiency for Sun Tracking Solar Panel. Published in IST Journal on Business and Technology, Volume 9(1), June 2019.
- And several other publications listed in her biography on the IST website.

Q203: Who is Md Ismail Jabiullah and what is their background?

Md Ismail Jabiullah has co-authored multiple publications with Dr. Shahida Rafique and Runa Rukshana Khan, primarily focusing on solar energy and its application in Bangladesh. Additional details regarding their qualifications and position were not found in the given text.

Q204: Who is Dr. Saleh Mohammad Rafique?

Dr. Saleh Mohammad Rafique is a faculty member at the Institute of Science and Technology (IST).

Q205: Who is M.A. Mazid and what is their background?

M.A. Mazid is the Principal and a Professor in the Department of Computer Science and Engineering at IST. He holds an M.Sc. and a B.Sc. in Mathematics, both from Dhaka University, achieving First Class First in both degrees. He also partially completed an M.Phil. in Mathematics from BUET. He joined IST in 1995 as a lecturer and has been teaching various mathematics courses including Engineering Mathematics, Mathematics for CSE, Coordinate Geometry, Vector Analysis, Discrete Mathematics, Calculus, Differential Equation, Linear Algebra, Numerical Analysis, and Complex Variable. He is also an Associate Member of Bangladesh Computer Society. His email addresses are mazid_math@yahoo.com and mazid@ist.edu.bd.

Q206: Who is Mahbuba Hossain Airin and what is their background?

Mahbuba Hossain Airin is an Assistant Professor (currently on study leave) in the Department of Business Administration at the Institute of Science and Technology (IST). She holds an MBA (2010) and a BBA (2009), both from the University of Dhaka, with results of 3.69 and 3.74 respectively. Her research interests include sustainable development, social changes, and leadership. She is currently pursuing graduate studies in Capacity Building & Extension at the University of Guelph. Prior to her study leave, she worked as an educator at IST. You can contact her at mahbuba.airin@gmail.com.

Q207: What are Mahbuba Hossain Airin's publications?

Mahbuba Hossain Airin has published the following papers:

- Clustering of Green Consumers in Bangladesh: Unfolding the Educated Adults: Published in 2018 in the Australia and New Zealand Journal of Social Business, Environment and Sustainability, Vol. 4, No. 2; ISSN 2206-4346.
- Influencing Factors for Customers Buying Intention: An Emerging Online Retailing Phenomenon in Bangladesh: Published in 2017 in the IST Journal on Business & Technology, Vol. 4, No. 1, ISSN 2070-4135.
- The Problems and Prospects of Organic Farming in Bangladesh: An Empirical Analysis: Published in 2013 in the Business Review Bangladesh: Journal of Business and Technological Progress, Vol. 2, No. 2; ISSN 2224-1884.

Q208: What computer labs are available at IST?

IST has four main computer labs (Computer Lab-01, Computer Lab-02, Computer Lab-03, and Computer Lab-04) and a dedicated computer lab for teachers and administrative staff.

Computer Lab-01 has 30 PCs, Computer Lab-02 has 34 PCs, Computer Lab-03 has 10 PCs, and Computer Lab-04 has 15 PCs. The Teacher's & Administrative Computer Lab has 18 PCs, totaling 107 PCs across all labs.

Q209: What is the network infrastructure like at IST?

IST's network includes:

- LAN: 18 connections for teachers & administrative staff, 89 connections for computer labs, and 3 connections for student clubs.
- Wireless: 8 access points for teachers & administrative staff and 5 access points for students.
- Server Room: Contains one MikroTik Cloud Core Router (CCR109-7G-1C-PC).
- Internet Connectivity: Two connections with a combined speed of 150 Mbps.

Q210: What are the names of the Wi-Fi networks at IST?

The Wi-Fi networks at IST include:

- For Teachers & Administrative Staff: IST Teachers (AP) (3 networks), IST Chairman (AP), IST Director (Academic), IST Director (Admin), IST Diploma R#, IST Teacher's (AP) R# 304.
- For Students: AP-Ground, AP-Ground (AccessTEL), AP-3rd Floor, AP-3rd Floor (AccessTEL), AP Com Lab 1 & 2.

Q211: When will the Class Routine be published?

Check out our website's notice section for updated class routines. Or contact your course co-ordinator.

Q212: When will the Exam Routine be published?

Check out our website's notice section for updated exam routines. Or contact your course co-ordinator.

Q213: Is Md Sakib Mahfuz Evan an alumnus of IST?

Yes, Md Sakib Mahfuz Evan is listed on the IST website as an alumnus.

Q214: Who is Mahfuza Ferdousi and what is their background?

Mahfuza Ferdousi is the Head of the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST). Her contact email is ferdousimahfuza@gmail.com. Her academic background includes:

- Ph.D (2nd Part, Ongoing): Electrical and Electronic Engineering (EEE), Dhaka University
- M.Sc (2003): Applied Physics and Electronics, Dhaka University
- B.Sc (1998): Applied Physics and Electronics, Dhaka University

Q215: What are Mahfuza Ferdousi's research areas?

While not explicitly stated, her publications suggest research interests in areas like automatic voting systems, digital tachometers, rechargeable batteries, mobile station location in GSM networks, and FSK-based wireless communication systems.

Q216: What are Mahfuza Ferdousi's publications?

- S. M. Mamun, Mahfuza Ferdousi, Automatic Voting System, Dhaka Univ. J. Sc., 53(2), July 2005.
- Mahfuza Ferdousi, S. M. Mamun, Design and Calculation of Accuracy of a Digital Tachometer, Dhaka Univ. J. Sc., 54(2), July (2006).

- Study on Carbons and Its Applications in Rechargeable Batteries, scientific research project report, U.G.C, February 2008
- S.M. Mamun, Mahfuza Ferdousi, Locating Mobile Station in GSM Network, Dhaka Univ. J. Sc., 57(2), July 2009.
- Mahfuza Ferdousi, Design and Development of FSK based wireless Communication System Remote Switching, NUB Journal of Applied Sciences, 2015.

Q217: What is the admission fee waiver policy at IST?

IST offers waivers on admission fees based on HSC/equivalent GPA:

- 5.00 GPA: 75% waiver
- 4.75 to < 5.00 GPA: 50% waiver
- 4.50 to < 4.75 GPA: 25% waiver

Q218: What other scholarships, assistantships, and waivers are available at IST?

- Semester GPA-based waiver: 100% tuition fee waiver in the next semester for students obtaining a 4.00 GPA in the semester final exam.
- Merit-based waiver: 50% tuition fee waiver in the next semester for the 1st and 2nd position holders in the final exam (minimum GPA 3.50).
- Sibling waiver: Special waiver for students enrolling younger siblings.
- Female student waiver: Special waiver for female students (on a case-by-case basis).
- Merit and orphan scholarship: From Shahida Rafique (SR) and Rizia Haque (RH) fund.
- Poor fund scholarship: Available for eligible students.
- Teaching assistantship: Available for eligible students.

Note: To qualify for special waivers/scholarships, students must have at least 80% class attendance.

Q219: Who is Mohammad Hasan and what is their background?

Mohammad Hasan is a Lecturer in the Department of Computer Science and Engineering (CSE) at the Institute of Science and Technology (IST). He completed his B.Sc. and M.Sc. degrees in Computer Science & Engineering from Jahangirnagar University. His B.Sc. CGPA was 3.23 out of 4, and his M.Sc. CGPA was 3.58 out of 4. He completed his SSC and HSC from Govt. Science College, Tejgaon, Dhaka.

Q220: What are Mohammad Hasan's research areas?

Mohammad Hasan's research areas include Pattern Recognition & Machine Learning, Network Information & Security, Data Mining & Knowledge Discovery in Databases (KDD), and Web Design & Development.

Q221: What publications has Mohammad Hasan authored?

He has co-authored the publication: "SOLAR RADIATION ANALYSIS AND PREDICTION USING MACHINE LEARNING ALGORITHMS" published in the World Journal of Engineering Research and Technology in 2024.

Q222: What is the achievement of IST student Mahadi Hasan Mithun?

Mahadi Hasan Mithun, a CSE student (20th batch), swam across the Bangla Channel (16.1 km) on March 21, 2019.

Q223: Does IST offer a Diploma in Engineering?

Yes, IST offers a Diploma in Engineering program. Contact the IST office for further details about the program curriculum, admission requirements, and fees.

Q224: What lab facilities are available at IST for ECE students?

IST offers several labs for ECE students, including:

- ECE Lab 301 & 401: Specific details about these labs are not provided.
- Physics Lab: Equipped for experiments on Ohm's Law, Kirchhoff's Laws, and optics, with instruments like a spectrometer and Newton's Ring apparatus.
- Electronics Lab: Includes analog and digital oscilloscopes, function generators, breadboards, various electronic components (diodes, transistors, op-amps, 74LS series ICs, NE-555 timers, etc.), and equipment for working with thyristors, SCRs, DIACs, TRIACs, and UJTs.
- Electrical Lab: Contains analog and digital power supplies, multimeters, ammeters, voltmeters, and components like resistors, capacitors, and inductors. It also has an AC Circuit & Network Trainer.

- Communication Lab: Features trainer boards for ASK, FSK, and PSK modulation/demodulation, fiber optic communication equipment (both analog and digital), microwave communication equipment, and an audio system.
- Networking Lab: Includes cable testers, RJ45 punchers and connectors, CAT6 cable, wireless access points, routers, and high-configuration PCs with network simulation software.
- DSP (Digital Signal Processing) Lab: Equipped with DSP trainer boards.
- Microprocessor and Computer Peripheral Lab: Contains 7-segment displays, PIC microcontrollers, Arduino UNO and MEGA boards, a microprocessor trainer, an I/O board, Raspberry Pi, and a computer peripheral trainer board.
- AutoCAD Lab: Houses high-configuration PCs with simulation software.

Q225: What equipment is available in the Physics Lab at IST?

The Physics Lab at IST has equipment for various experiments, including a Spectrometer and setups for demonstrating Newton's Rings.

Q226: What is IST's approach to education?

We focus on providing both theoretical and practical knowledge to its students, offering well-equipped labs for hands-on learning and experimentation.

Q227: What are some of IST's achievements?

Our team 'IST_neverGiveUp' was selected for the ICPS Asia West Continent Championship. They also ranked 31st in the ICPC Asia Dhaka Regional Contest 2021 among public and private universities in Bangladesh.

Q228: What are some other achievements of IST students?

Besides programming, IST students have won several awards and recognitions:

1st Place in the National Innovation Challenge 2015 for creating a solar-powered cycle.

Runner up in the Code Warriors Challenge 2015.

Runner up in TechnoCraze_2019 held at Chittagong University of Engineering and Technology. Champion, Runner-up, and Second Runner-up positions in the Interuniversity Presentation Contest.

Top-ranked young leaders from IST BBA secured core team positions in the CKH Network under the mentorship of Coach Kamrul Hassan.

Q229: Where can I find ECE notices?

There's an ECE Notice category on our website (www.ist.edu.bd/ece-notice), indicating that notices specific to the ECE department are published there.

Q230: Who are the lab staff at IST?

The lab staff includes:

- Md. Jahirul Islam: Senior Lab Instructor (Communication Lab, Room 401, jahirulislam.dff@gmail.com)
- Md. Rakibul Islam: Lab Instructor (Electronics Lab, Room 303, enr.rakibul76@gmail.com)
- Mehedi Hasan: Lab Instructor (Computer Lab, Room 205, mehedihasan151195@gmail.com, mehedi@ist.edu.bd)
- Mohammad Ali: Lab Instructor (Computer Lab, Room 205, alimokkah@gmail.com)

Q231: What was IST's achievement in the National Innovation Challenge 2015?

A team from the ECE department, led by Aktar, won first place by creating a solar-powered cycle. They competed against renowned universities like DU, NSU, and BUET and received a prize from the honorable president.

Q232: Who is Dr. Galib Hashmi and what is their background?

Dr. Galib Hashmi is an Associate Professor and Head of the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST). He holds a Ph.D. in Electrical and Electronic Engineering from the University of Dhaka (2019), an M.Sc. in Applied Physics, Electronics and Communication Engineering from the University of Dhaka (2013), and a B.Sc. (Hons.) in Applied Physics, Electronics and Communication Engineering from the University of Dhaka (2011). He also passed SSC and HSC from Mirzapur Cadet College with the highest grade in both. He joined IST as a lecturer after completing his Master's and worked his way up to Assistant Professor and then Associate Professor. His Ph.D. thesis was on "Efficiency Improvement of Crystalline Silicon Solar Cell Using Different Texturing and ARC Method in Bangladesh." During his Ph.D., he worked in several laboratories including the Solar Cell Fabrication Laboratory (AERE-Savar), Bangladesh Atomic Energy Commission; VLSI Laboratory, Bangladesh Atomic Energy Commission; Institute of Fuel Research and

Development (BCSIR); Department of Glass and Ceramics Engineering (BUET); and Department of Electrical and Electronic Engineering (University of Dhaka).

Q233: What are Dr. Galib Hashmi's research areas?

Dr. Galib Hashmi's research areas include Solar Cell Fabrication, Semiconductor Characterization, Communication Engineering, Renewable Energy Technology (RET), and Biomedical Engineering.

Q234: What are some of Dr. Galib Hashmi's publications and achievements?

Dr. Hashmi has 38 publications, including 18 journal papers (13 as first author, with four published in Springer), 15 conference papers, and 5 poster presentations. One example of a poster presentation is "A Study on the Formation of N-type Layer Using POCL₃ Thermal Diffusion Technique" presented at the International Conference on Physics in 2018.

Q235: How can I contact Dr. Galib Hashmi?

Dr. Galib Hashmi can be contacted via email at galib_90@yahoo.com or galib@ist.edu.bd.

Q236: What is Dr. Galib Hashmi's publications?

Dr. Hashmi has an extensive publication record. A selection of his works includes:

Some of the Journal Papers are:

- "Portable solar panel efficiency measurement system", Springer Nature Applied Sciences
- "Texturization of P-type Monocrystalline Silicon Wafer Using Different Wet Chemical Solutions", Applied Physics A: Materials Science & Processing
- "Study of the Enhancement of the Efficiency of the Monocrystalline Silicon Solar Cell by Optimizing Effective Parameters Using PC1D Simulation", Silicon
- "Investigation of The Impact of Different ARC Layers Using PC1D Simulation: Application To Crystalline Silicon Solar Cells", Journal of Theoretical and Applied Physics
- Many more journal articles (See full list on our website)

Some of the Conference Papers are:

- "A Study on the Spectral Response of Different Types of Crystalline Silicon Wafer Used for Solar Cell Fabrication", International Conference on Physics-2016
- "Proposed Technique to Improve Efficiency of Crystalline Silicon Solar Cell", National Seminar and Exhibition on Renewable Energy 2016
- Many more conference presentations (See full list on our website)

Some of the Poster Presentations are:

- "A Study on the Formation of N-type Layer Using POCL₃ Thermal Diffusion Technique", International Conference on Physics – 2018
- "Design and Development of Solar Panel Parameters and Efficiency Measurement System", International Conference on Physics-2018
- Several other poster presentations (See full list on our website)

Q237: What are Dr. Galib Hashmi's current research interests?

Dr. Hashmi's current research interests include Solar Cell Fabrication, Semiconductor Characterization, Communication Engineering, Renewable Energy Technology (RET), and Biomedical Engineering.

Q238: Who is Nafia Laila and what is her background?

Nafia Laila is an Associate Professor and Head of the Department of Business Administration at the Institute of Science and Technology (IST) Bangladesh. She earned her BBA and MBA in Finance from the University of Dhaka. Her BBA CGPA was 3.60 (2005) and her MBA CGPA was 3.77 (2008). She completed her HSC from Ideal School and College, Motijheel, in 1999 with a 1st Division, and her SSC from Motijheel Model High School in 1997, also with a 1st Division. She has been teaching at IST for about 12 years and has attended numerous seminars and conferences on business-related issues. Her research areas include economics and related fields. Her email address is nafia@gmail.com.

Q239: What are Nafia Laila's research interests?

Nafia Laila's research areas include economics and related issues.

Q240: What are Nafia Laila's publications?

Nafia Laila has authored and co-authored several publications, including:

- Financial Leverage and its Impact on Earning Per Share. Nafia Laila, Tania Akhter, IOSR Journal of Economics and Finance (IOSR-JEF) e-ISSN: 2321-5933, p-ISSN: 2321-5925. Volume 12, Issue 1 Ser. VI (Jan. – Feb. 2021), PP 01-07 www.iosrjournals.org
- Progress of Women Employment in the Economic Sector: A Qualitative Analysis after the Liberation of Bangladesh: Nafia Laila, Tania Akhter, IOSR Journal of Economics and Finance (IOSR-JEF) e-ISSN: 2321-5933, p-ISSN: 2321-5925. Volume 12, Issue 1 Ser. VI (Jan. – Feb. 2021), PP 08-16, www.iosrjournals.org
- Validity of Capital Asset Pricing Model (CAPM) in Predicting Stock Return for Dhaka Stock Exchange. Tania Akhter and Nafia Laila. Institute of Science and Technology (IST), Journal on Business and Technology. Volume 9, Number 1, June 2019, ISSN: 2070-4135.
- Non-financial Factors Motivate Women in workplace; A Case Study based on Unilever Bangladesh Limited. Mohammed Ashfaqur Rahman, Md. Sarwar Hossain, Nafia Laila, Mita Hossain. Institute of Science and Technology (IST), Journal on Business and Technology. Volume 8(1), Number 1, June 2017, ISSN: 2070-4135.
- Impacts of Relationship Marketing on Consumers' Purchasing Decision Bangladesh Perspective. Md. Sarwar Hossain, S.M. Ziaul Hassan, Nafia Laila and Mita Hossain, Institute of Science and Technology (IST), Journal on Business and Technology. Volume 8(1), Number 1, June 2017, ISSN: 2070-4135.
- Application of Neural Network for Stock Price Prediction: A theoretical Perspective. Md. Moulude Hossain, Nafia Laila, NasmaZamalFerdosi, Journal of Business and Technical Progress, Volume 2, No.2, December 2013, ISSN: 2224-1884.
- The Problems and Prospects of Organic Farming in Bangladesh: An Empirical analyses. Md. Moulude Hossain, Mahbuba Hossain Airin, Nafia Laila, Journal of Business and Technical Progress, Volume 2, No. 2, December 2013, ISSN: 2224-1884.
- Determining the Growth Pattern of Securities Market in Bangladesh: A Case of Dhaka Stock Exchange Limited. Md. Moulude Hossain, Nafia Laila, S.M. Ziaul Hassan, Journal of Business and Technical Progress, Volume 2, No. 1 & 2, December 2013, ISSN: 1996-3637.
- Technical Analysis as an Indicator for Investment Decision Making: A Study on Investors Perception. Md. Moulude Hossain, Mahmuda Rahman, Nafia Laila, Institute of Science and Technology (IST), Journal on Business and Technology. Volume 3 &4, Number 1 & 2, December 2011/12, ISSN: 2070-4135.

Q241: Who are the accounts staff at IST?

The accounts staff includes:

- Ruku Afrin: Senior Account Officer (Room 201, afrinrukuist@gmail.com)
- Md. Abul Kalam Azad: Junior Account Officer (Room 201, azadmega2@gmail.com)
- Md. Sekender Hossain: Junior Account Officer (Room 201, sekenderist@gmail.com)
- Md. Khalil Ullah: Junior Account Officer (Room 201, mdkhaillu8@gmail.com)

Q242: What are Lutfi Habiba's research interests?

Lutfi Habiba's research areas include Web Engineering, Data Mining, Programming Language, Software Engineering, and Android Application development.

Q243: What publications has Lutfi Habiba authored or co-authored?

Lutfi Habiba has contributed to several publications, including:

- Land Use Analysis Using Remote Sensing on Chittagong Hill Tracts. (2024) Co-authored with Imran Hossen and Sanjida Hoque Shoshey. Published in IST Journal On Business And Technology, Vol. 10, December 2024, Pages 88-98.
- Design and Development of Real Estate Price Prediction Based on Regression. (2024) Co-authored with Aditya Showrov and Sanjida Hoque Shoshey. Published in IST Journal On Business And Technology, Vol. 10, December 2024, Pages 99-111.
- Design and Development of Traffic Monitoring System. (2024) Co-authored with Md. Manoar Imran. Published in International Journal for Multidisciplinary Research (IJFMR), Vol. 6, Issue 1, January-February 2024, Pages 01-06.
- Design & Development of an Efficient Algorithm for Sequential Data Mining Based on Apriori Algorithm Using Association Rules. (2019) Co-authored with Shahida Rafique. Published in IST Journal On Business And Technology, Vol. 9, 2019, Pages 02-11.

Q244: What conferences has Lutfi Habiba attended?

She has attended the Conference on Renewable Energy at Dhaka University and the Conference on Access to Information (a2i) Program at the Prime Minister's Office.

Q245: What professional societies is Lutfi Habiba a member of?

She is a member of the Bangladesh Computer Society.

Q246: What projects has Lutfi Habiba worked on?

Her projects include:

- Online Payroll Management System
- Online Banking Management System
- Car Insurance Company

- Teacher Attendance Management system
- Health Care System (An Android-based project)

Q247: What was Lutfi Habiba's thesis topic?

Her thesis was on "Design & Development Of An Efficient Algorithm Of Sequential Data Mining Technique Based On Apriori Algorithm Using Association Rules."

Q248: What publication is available about visualizing real-time data using web technology?

The IST Journal on Business & Technology (Vol. 9, No. 1, June 19; ISSN: 2070-4135) features an article titled "Visualizing the Progression of Real Time Data Using Web Technology" by Jannatul Fardous and Shafiqul Islam.

Q249: What is the admission status at IST?

Admissions are currently open at IST. More details may be available by contacting the institute directly through the provided contact information.

Q250: What are the Achievements of the ECE department of IST?

You can find the achievements of the ECE department on our website's ECE Achievements category, which highlights achievements and accomplishments related to the Electronics and Communication Engineering (ECE) department at IST. More information might be found within the category page on the IST website (www.ist.edu.bd/category/ece-achievement).

Q251: What are the activities of pclIST?

pclIST (Programming Club of IST) engages in various activities, including participating in ACM ICPC, NCPC, NGPC, NASA Space Apps Challenge, Hackathons, and organizing internal programming contests (IPC), gaming contests, software exhibitions, and workshops. They have

sections dedicated to Contest Programmers, ICU for Programmers, Software Support, Software Development, and Edutainment.

Q252: Who is Dr. Mohammed Shahpur Rafique Mia?

Dr. Mohammed Shahpur Rafique Mia is the current Chairman of Institute of Science and Technology (IST), Bangladesh. He also serves as the Vice President and Investment Strategist at Orion Infrastructure Capital (OIC). He is a prominent figure in the Bangladeshi diaspora community, advocating for democracy, citizen rights, and economic empowerment. As a co-founder of the US-Bangladesh United Initiative (UBUI), he focuses on strengthening U.S.-Bangladesh relations. He holds joint honors in Mathematics and Physics, a Masters in Nuclear Physics, and a PhD in High Energy Theoretical Physics and String Theory from McGill University, Canada.

Q253: Who were some successful BBA graduates from IST and what did they achieve?

The provided content lists several successful BBA graduates and their achievements, including Birressor Debnath (1st Class 1st in 2006), Kaiyum Hossain (1st Class 2nd in 2006), Md. Moulude Hossain (1st Class 1st in 2007), Sumon Roy (CGPA 3.51 in 2010, now Manager, Audit and Advisory Services), Tania Akter (CGPA 3.51 in 2010, now Lecturer at IST), Md. Rasel Pervez (Logistics Associates Operation Specialist in Australia), and others. Check the 'Bachelor of Business Administration Results' page for more details.

Q254: What are the achievements of the Bachelor of Business Administration (BBA) students at IST?

Several BBA students have achieved top positions in National University examinations. Here's a summary:

- 2006: Birressor Debnath (1st Class 1st), Kaiyum Hossain (1st Class 2nd)
- 2007: Md. Moulude Hossain (1st Class 1st)
- 2010: Sumon Roy (1st Class 1st), Tania Akter (1st Class 2nd, CGPA 3.51)
- 2011: Fatema Tuz-Zohra (1st Class 1st, CGPA 3.74), Mahedi Hasan (1st Class 1st, CGPA 3.51)
- 2012: Md. Ujjal Hossain (1st Class 1st, CGPA 3.58)
- 2013: Md. Sarwar Hossain (1st Class 1st, CGPA 3.60), Mita Das (1st Class 2nd, CGPA 3.57)

- 2014: Khaleda Sharmin (1st Class 1st, CGPA 3.58)
- 2015: Zannatunnesa Sumaiya (1st Class 1st, CGPA 3.65), Annanya Das (CGPA 3.52)
- 2016: Md. Abid Hossain (1st Class 1st, CGPA 3.63)
- 2017: MD. ABID HASAN (1st Class 1st, CGPA 3.63), JAKIA SULTANA (CGPA 3.46)
- 2018: SUSMITA RANI DAS (1st Class 1st, CGPA 3.43), MD RADDWAN HOSSAIN (CGPA 3.26)
- 2019: SAODA AKTER (1st Class 1st, CGPA 3.61), MARIOM AKTER TOMA (CGPA 3.52)

Q255: What are the achievements of the CSE department at IST?

- 31st place in ICPC ASIA DHAKA REGIONAL CONTEST 2021
- Runner up, Code Warriors Challenge 2015
- 1st rank among all National University colleges in the Inter University Girls Programming Contest in 2018 (NSU-IUGPC'18)
- Participation of female contestants in NGPC (National Girls Programming Contest) in 2018
- 1st rank among all National University colleges in National Girls Programming Contest in 2017
- Participation of CSE students in National Girls Programming Contest in 2019
- Participation of CSE students in ACM International Collegiate Programming Contest Dhaka Site Regional in 2018 and 2019
- Participation of CSE students in BUET Inter University Programming Contest in 2018

Q256: What recognition did IST BBA students receive from Coach Kamrul Hassan?

Coach Kamrul Hassan, a top-ranked corporate trainer and ex-Harvard affiliate, appreciated the top-ranked young leaders from IST's BBA program. These students also secured core team positions in the CKH Network.

Q257: What achievement did IST students Sakib Tanvir and Rizvi receive related to National University?

Sakib Tanvir and Rizvi achieved top 3 positions in National University. Sakib is specifically recognized for achieving a perfect cgpa 4.0.

Q258: What are the details of the MCSE program?

The MCSE program requires 36 credit hours, including a dissertation (32 credits theory, 4 credits project). It is a one-year program with two semesters per year.

Q259: What are the details of the MBA program?

The MBA program is a one-year program with two semesters. It requires 36 credit hours, including 10 taught courses and an internship/project paper with a defense viva-voce examination. Students choose a major in the second semester from Accounting & Information Systems, Human Resource Management, Marketing, and Finance & Banking.

Q260: Who is Kamrul Hassan?

Kamrul Hassan is a top-ranked corporate trainer and ex-Harvard. He coached the IST BBA team in the CKH Network.

Q261: Who is Mita Hossain Sarwar?

Mita Hossain Sarwar is Assistant Professor in the Department of Business Administration. Contact: mitaistbba1080@gmail.com

Q262: Who is Md. Shawkot Hossain and what is their background?

Md. Shawkot Hossain is a Faculty Member in the Department of Electronics and Communication Engineering (ECE) at IST. He is currently on study leave pursuing a Masters in Information Technology (MIT) at Jahangirnagar University. He completed his BSc. (Hons.) in Electronics and Communication Engineering (ECE) from IST with a CGPA of 3.80 in 2018. His research areas include network security and renewable energy.

Q263: What are Md. Shawkot Hossain's research areas?

Md. Shawkot Hossain's research areas are network security and renewable energy.

Q264: What publications has Md. Shawkot Hossain authored or co-authored?

Md. Shawkot Hossain has co-authored the following conference papers:

- "Design and Simulation of CdTe Based Thin Film Solar Cell by Using AMPS Simulation Software." Presented at the National Conference on Electronics and Informatics, Dhaka, Bangladesh, December 4-5, 2019 (with G. Hashmi and M.I. Jabiullah).
- "Efficiency Enhancement of CdTe Thin Film Solar Cell by Optimizing Different Parameters using AMPS Software." Submitted to the International Conference on Material Science and Semiconductor Device, July 23-24, 2020 (with G. Hashmi).

Q265: Who is M.S. Hossain and what is their background?

M.S. Hossain appears to be a faculty member, potentially in a department related to Electronics and Informatics or Material Science and Semiconductor Devices, based on their publications.

They have co-authored at least two conference papers:

- "Design and Simulation of CdTe Based Thin Film Solar Cell by Using AMPS Simulation Software" presented at the National Conference on Electronics and Informatics, Dhaka, Bangladesh in December 2019 (with G. Hashmi and M.I. Jabiullah).
- "Efficiency Enhancement of CdTe Thin Film Solar Cell by Optimizing Different Parameters using AMPS Software" submitted to the International Conference on Material Science and Semiconductor Device, July 2020 (with G. Hashmi).

Q266: Who is M.I. Jabiullah and what is their background?

M.I. Jabiullah appears to be a faculty member who co-authored a paper with M.S. Hossain and G. Hashmi on the design and simulation of CdTe thin film solar cells using AMPS software. This paper was presented at the National Conference on Electronics and Informatics in Dhaka, Bangladesh in December 2019.

Q267: Who is Ditee Yasmeen and what is her background?

Ditee Yasmeen is an Assistant Professor and Head of the Department of Computer Science and Engineering at the Institute of Science and Technology (IST) since 2016. She initially joined IST in 2012 as a Lecturer. Her educational background includes an M.Sc. in Computer Science (CS) from IST, National University (2014), where she secured 1st Class 2nd position, and a B.Sc. (Hons.) in Computer Science (CS) from the same institution (2011) with a CGPA of 3.81 out of 4.00. She also holds Cisco Certified Network Associate (CCNA) Routing and Switching certification (2012, score 933/1000) and Cisco Certified Design Associate (CCDA) certification

(2015, score 970/1000). Her research areas include Computer Network, Cyber security, IOT, Machine Learning, AI, and Software Engineering. She has conducted corporate training sessions on CCNA and Microsoft Office Specialist (MOS) for various organizations including Care Bangladesh, Chevron, World Vision, US Embassy, Bangladesh Municipal Development Fund (BMDF), Grameen Solutions Ltd. (GSL), Institute of Microfinance, Eastern Bank Ltd (EBL), Intertek Corporation, SAUDI-BANGLADESH Industrial and Agricultural Investment Company Ltd.(SABINCO), AGGRIKO, and Sandoz. You can contact her at ditee.yasmeen@ist.edu.bd.

Q268: What are Ditee Yasmeen's research areas?

Ditee Yasmeen's research areas include Computer Network, Cyber security, IOT, Machine Learning, AI, and Software Engineering.

Q269: What are Ditee Yasmeen's research interests and publications?

Ditee Yasmeen's research areas include Computer Network, Cyber security, IOT, Machine Learning, AI and Software Engineering. She has published numerous papers, including:

- Yasmeen D., and Jabiullah M. I., "A Public-key Based Secured Short Message Transactions with Strong Security Services", IST Journal on Business and Technology (IJBT), ISSN 20070-4135, Volume 7, Issue 1, 2015.
- Uddin M. S., and Yasmeen D., "Keystroke Dynamic as a Biometric for Human Typing Error Analysis and Password Protection", IST Journal on Business and Technology (IJBT), ISSN 20070-4135, Volume 7, Issue 1, 2015.
- Sultana T., and Yasmeen D., "Uniform Security Structure for Data Storage in Cloud Computing with Correctness of Data Blocks", IST Journal on Business and Technology (IJBT), ISSN 20070-4135, Volume 7, Issue 1, 2015.
- Yasmeen D., "Android- Most widely used Mobile Operating System for Real-time Remote Controlled and Monitoring System in the Developing Countries", International Journal of Electronics, Electrical and Computational System (IJEECS), ISSN 2348-117X, Volume 5, Issue 2, February 2016.
- Farhana T., Bappy, i., I., Prince S., C., and Yasmeen D., "Secured Message Transaction System with Strong Security Services", International Journal of Computer Science and Mobile Computing (IJCSMC), ISSN 2320-088X, Volume 5, Issue 2, February 2016.
- Yasmeen D., "RSA and Triple DES based Combined Secured Approach to Ensure Data Security", International Journal of Scientific and Engineering Research (IJSER), ISSN 2229-5518, Volume 7, Issue 2, February 2016.
- Yasmeen D., "Two key and SHA-2 based Information Security System with Data Confidentiality and Integrity Services", International Journal of Engineering Science and Computing (IJESC), ISSN 2321 3361, Volume 6, Issue 3, March 2016.

- Zamil M. Y., and Yasmeen D., “Prime Field over Elliptic Curve Cryptography for Secured Message Transaction”, International Journal of Computer Science and Mobile Computing (IJCSMC), ISSN 2320–088X, Volume 5, Issue 9, September 2016.
- Yasmeen D., Ahad K. A., and Khan R., R., “Real Time Traffic Congestion Analyzer of Dhaka City”, IST Journal on Business and Technology (IJBT), ISSN 20070-4135, Volume 8, Issue 1, June 2017.
- Yasmeen D., Sultana A., Nayeema I. A., “Implementation of Image Steganography for Secure Data Communication”, IST Journal on Business and Technology (IJBT), ISSN 20070-4135, Volume 9, Issue 1, June 2019.
- Ahmad F., Ahmad A., and Yasmeen D., “An RFID-Based Students’ Smart ID Card Security System”, Journal of the Bangladesh Electronics and Informatics Society (JBEIS), ISSN 1816-1510, Volume 19, Number 1-2, June-December 2020.

Q270: What is the library like at IST?

IST has a well-maintained library with approximately 10,000 books and journals. The collection focuses on business, science, and technology, including the latest trends relevant to the courses offered. There's also an online library accessible to students.

Q271: Where can I find the brochure for IST?

A brochure is available on the IST website (www.ist.edu.bd/brochure). This brochure contains comprehensive information about programs, facilities, and other aspects of the institute.

Q272: What are the vision, mission, and objectives of IST?

Vision: To ensure quality education, maintain a sound academic environment, and provide services at a non-profit basis to establish itself as an Award Giving Institution.

Mission: To enhance student participation in business and technology; provide a teaching, research, development, and training institute for promising young people; encourage life-oriented, income-generating, self-sustained activities for younger generations to improve their socioeconomic status; and publish books and a periodic journal.

Objectives: To develop and maintain proper physical infrastructure; recruit qualified and experienced teachers; select students on merit; develop and maintain modern CSE, ECE, and BBA labs; develop and maintain a standard digital library; develop and follow teacher and student evaluation systems; organize extracurricular activities (clubs, seminars, exhibitions, games, sports, cultural programs, study tours, picnics); provide scholarships and financial support to brilliant and needy students; develop and follow rules regarding salary, promotion,

and gratuity; incentivize teachers and staff based on qualification, experience, and performance; establish periodic training for teachers and staff; develop and maintain an IT-based accounting and audit department; and develop and maintain a supportive administrative system.

Q273: Who is Mahedi Hasan and what is their background?

Mahedi Hasan is an Assistant Professor in the Department of Business Administration at the Institute of Science and Technology (IST). He received his BBA in Marketing from IST in 2011, graduating 2nd in his class with a CGPA of 3.51 out of 4.00. He then completed his MBA in Marketing, also from IST, in 2012, again securing the 2nd position with a CGPA of 3.86 out of 4.00. He also completed an "Advance Research Methodology" course from the Institute of Education and Research (IER), University of Dhaka. He started his teaching career at IST in 2014 as a Faculty Member and became a Lecturer in 2016 before being promoted to Assistant Professor. His research interests include Service Marketing, Digital Marketing, Marketing Research and Analysis, Customer Satisfaction, Selling and Sales Management, Marketing Communications, and Brand Marketing. He can be reached at mahedidan@gmail.com.

Q274: What are Mahedi Hasan's publications and achievements?

Mahedi Hasan has co-authored several books: "Basic Accounting," "Cost Accounting," and "Intermediate Accounting," all published by Renaissance Book Depot. He has also published several articles in the Journal on Business and Technology (ISSN 2070-4135), including:

- "Evaluation of the Undergraduate Student's Performance in National University (Professional): An Empirical Study of Institute of Science and Technology" (Vol-7, No-1, December 2015)
- "The Basis of Consumer Market Segmentation: a critical review of literature" (Vol-7, No-1, December 2015)
- "The Effects of Social media on Undergraduate Students of Dhaka City" (Vol-8 (1), No-1, June 2017)
- "Bangladesh-India Relations: The Problems and Prospects in Regional Arena" (Vol-8 (1), No-1, June 2017)
- "Job Satisfaction Theories: A Literature Review" (Vol-8 (1), No-1, June 2017)
- "Evaluation of E-Commerce Problems in Bangladesh (Consumer's Perspective)" (Vol. 9(1), June 19, 2019)

Q274: Where is Md. Shawkot Hossain pursuing his higher education?

Md. Shawkot Hossain, a faculty member in the ECE department at IST, is pursuing his higher education at Aalto University, Finland.

Q276: Who is Md. Rakib Hossain and what is their background?

Md. Rakib Hossain is an Assistant Professor in the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST). He holds a B.Sc. (Hons) in Electronics and Communication Engineering from IST (2013), an M.Sc. in Computer Science from Jahangirnagar University (2017), and is currently pursuing an M.Phil. in Computer Science & Engineering at Jagannath University. His email address is rakibhossainist@gmail.com.

Q277: What are Md. Rakib Hossain's research interests?

Md. Rakib Hossain's research areas include IOT, Computer Networks, Network Security, Antenna and Wave propagation, and Neural Networks.

Q278: What publications has Md. Rakib Hossain authored or co-authored?

Md. Rakib Hossain has co-authored several publications in the IST Journal on Business and Technology, including:

- "Design and Development of an Antenna array system" (2019)
- "Design and Development of Bluetooth Based Home Automation System Using Android Phone" (2017)
- "Next Generation Networks: A Continuous Approach Towards Goal" (2017)
- "Modeling of Breast Tissue with Tumor Inclusion" (2017)
- "PWM and Bluetooth Based Home Automation Systems" (2019)
- "Design and Improvement of Efficiency for Sun Tracking Solar Panel" (2019)

Q279: Who is Muhammad Ashfaqur Rahman and what is their background?

Muhammad Ashfaqur Rahman is a Professor in the Department of Business Administration at the Institute of Science and Technology (IST). He earned his MBA in Accounting and Information Systems (AIS) from Dhaka University in 2000 and his BBA in Accounting from Dhaka University in 1998. He began his teaching career as a Lecturer at IST and is currently an Associate Professor. His research interests include accounting-related subjects, E-Commerce, the Tourism Industry, TQM, Market Analysis, Customer Satisfaction, and the Theory of Motivation. He has published in both national and international journals, and his area of specialization is Accounting and Information Systems.

Q280: What are Muhammad Ashfaqur Rahman's research areas?

Muhammad Ashfaqur Rahman's research interests focus on accounting-related subjects, as well as E-Commerce, the Tourism Industry, Total Quality Management (TQM), Market Analysis, Customer Satisfaction, and the Theory of Motivation.

Q281: What books has Muhammad Ashfaqur Rahman co-authored?

Muhammad Ashfaqur Rahman has co-authored the following books: *Management Accounting* and *Introduction to Business*, both published by Renaissance Book Depot.

Q282: What articles has Muhammad Ashfaqur Rahman published?

Muhammad Ashfaqur Rahman has published the following articles:

- Testing weak form of efficient market Hypothesis: Evidence from Dhaka stock exchange. PRC Journal, ISSN 2306-2541, Vol.-2, No.-1, Policy Research Centre bd. January, 2013.
- Determining the Growth Pattern of Securities Market in Bangladesh: A Case of Dhaka Stock Exchange Limited. Journal of school of business, ISSN 1996-3637, Vol.-2, No.-1 & 2, Uttara University, January & June 2013.

- Poverty Reduction through Rehabilitation: A Case Study on Abashan Project of Bangladesh Government. Journal of Business and Technical Progress, ISSN 2224-1884, Vol.-2, No.-2, Policy Research Centre bd, December, 2013.
- Contract Farming: Concept and Applicability in Bangladesh. Journal on Business and Technology, ISSN 2070-4135, Vol.-6, No.-1, Institute of Science and Technology (IST), December, 2013.
- The Present Situation of Road Management in Bangladesh. Journal on Business and Technology.

Q283: How can I contact Muhammad Ashfaqur Rahman?

You can contact Muhammad Ashfaqur Rahman via email at ashfaqurrahman@gmail.com.

Q284: Who are the library staff at IST?

The library staff includes:

- Mst Salma Begum: Principal Librarian (Room 304, salmahasan.rr@gmail.com)
- Shaheen Afroz: Librarian (Room 304, bdshaheenafroz@gmail.com)

Q285: Who are the administrative staff at IST?

The administrative staff includes:

- A.S.M. Rashidul Hasan: Chief Administrative Officer (Room 105, omairzr@gmail.com)
- Md. Muksedur Rahman Abir: Public Relation Officer (PRO) (nc_embroidery@yahoo.com)
- Md. Abul Bashar: Office Secretary (Room 203, mdabulbashar1234@gmail.com)
- Md. Kamrul Islam: Junior Administrative Officer (Room 107, kamrul3045@gmail.com)

Q286: Who is the Information Officer at IST?

Md Rony Ahmed is the Information Officer. He can be reached at Room 107 or via email at ronyahmed11197@gmail.com.

Q287: Where can I find BBA notices?

You can find BBA notices at www.ist.edu.bd/bba-notice. This page contains a list of various notices related to the BBA program, including routines, admission information, scholarship announcements, and exam schedules.

Q288: Where can I find the Project Viva and Practical Examination Routine?

The Project Viva and Practical Examination Routine can be found at:
<https://ist.edu.bd/notice/project-viva-and-practical-examination-routine/>

Q289: Where can I find notices from National University (NU) relevant to IST?

IST provides a dedicated page for NU Notices. You can find information about scholarships, exam routines, and form fill-up notifications on the IST website under the "NU Notice" section. (www.ist.edu.bd/nu-notice)

Q290: Where can I find notices specific to IST?

IST has a category dedicated to notices related to their own academic activities, events and announcements. This can be found on their website under the 'IST Notice' section.

Q291: What are Sanjida Hoque Shoshey's research interests?

Her research areas include Data Mining, Sentiment Analysis and Opinion Mining, Case Based Reasoning, Machine Learning, and Artificial Intelligence.

Q292: What are Sanjida Hoque Shoshey's research interests?

Her research areas include Data Mining, Sentiment Analysis and Opinion Mining, Case Based Reasoning, Machine Learning, and Artificial Intelligence.

Q293: Who is Md. Sarwar Hossain and what is their background?

Md. Sarwar Hossain is an Assistant Professor in the Department of Business Administration at the Institute of Science and Technology (IST). He joined IST as a Lecturer in 2016. He holds an MBA (with a 3.96 GPA, achieving 1st position in National University) and a BBA (with a 3.60 GPA), both majoring in Marketing, from IST, affiliated with National University of Bangladesh. He completed his HSC from BAF Shaheen College Dhaka with a GPA of 5.00 in Business Studies in 2008 and his SSC from BAF Shaheen College Chittagong with a GPA of 5.00 in Business Studies in 2006. His research areas include Lifestyle Marketing, Brand Loyalty, and Consumer Behavior. His email address is sarwar964saru@gmail.com.

Q294: What are Md. Sarwar Hossain's publications?

Md. Sarwar Hossain has published the following articles:

- "Growing Importance of Training at the Workplace." Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Impacts of Relationship Marketing on Consumers' Purchasing Decision-Bangladesh Perspective" Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Non-financial factors motivate women in workplace: a study based on Uniliver" Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Digitalization and Marketing" Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.
- "Leadership and Management" Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.
- "Evaluation of E-commerce Problems in Bangladesh (Consumers Perspective)" Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.

Q295: Who is Md. Sarwar Hossain and what is their background?

Md. Sarwar Hossain is an Assistant Professor in the Department of Business Administration at the Institute of Science and Technology (IST). He joined IST as a Lecturer in 2016. He holds an MBA (with a 3.96 GPA, achieving 1st position in National University) and a BBA (with a 3.60 GPA), both majoring in Marketing, from IST, affiliated with National University of Bangladesh. He completed his HSC from BAF Shaheen College Dhaka with a GPA of 5.00 in Business Studies

in 2008 and his SSC from BAF Shaheen College Chittagong with a GPA of 5.00 in Business Studies in 2006. His research areas include Lifestyle Marketing, Brand Loyalty, and Consumer Behavior. His email address is sarwar964saru@gmail.com.

Q296: What are Md. Sarwar Hossain's publications?

Md. Sarwar Hossain has published the following articles:

- "Growing Importance of Training at the Workplace." Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Impacts of Relationship Marketing on Consumers' Purchasing Decision-Bangladesh Perspective" Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Non-financial factors motivate women in workplace: a study based on Uniliver" Journal on Business and Technology, ISSN 2070-4135, Vol-8 (1), No-1, Institute of Science and Technology (IST), June 2017.
- "Digitalization and Marketing" Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.
- "Leadership and Management" Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.
- "Evaluation of E-commerce Problems in Bangladesh (Consumers Perspective)" Journal on Business and Technology, ISSN 2070-4135, Vol-9 (1), No-1, Institute of Science and Technology (IST), 2019.

Q297: What are some of the companies where ECE graduates from IST have worked or interned?

IST ECE graduates have worked or interned at organizations like Bangladesh Army, University of Tennessee, Norwegian Refugee Council, Janata Bank Ltd., NearOnes (Netherlands), Clarkson University, bKash Limited, ADN Telecom Limited, Grameenphone, Robi Axiata Limited, BTCL, Bangladesh Betar, BTV, NESCO, BREB, APSCL, Rooppur Nuclear Power Company Ltd., BTRC, TSS, and Teletalk.

Q298: What is the Electronics, Communication and Robotics Club (ECRC) at IST?

The ECRC is one of the four active clubs at IST. Its motto is "Learn, Create, Explore." Founded on January 11, 2011, the club focuses on strengthening IST's image in technology by promoting circuits, programming, and new technologies among students. They offer 11 skill development courses, including basic electronics, circuit design, microcontrollers, Arduino, and networking. They also organize workshops on robotics, drone making, and battle bots, and participate in various competitions. The ECRC also arranges an annual ECE Day, Poster and Project Exhibition, and Soccer bot contest.

Q299: Who are some notable alumni of the ECE department at IST and what are they doing?

Some notable ECE alumni include:

- Al-Mamun Khan: Circuit Analyst at Bangladesh Army
- Rubayet Tanveer: PhD Student at University of Tennessee, Knoxville, USA
- Md. Al-Amin Hossen: ICT Officer at Norwegian Refugee Council
- Md. Rokibul Hasan: IT officer at Janata Bank Ltd.
- Al-Amin Opu: Co-Founder and Tech Lead at NearOnes, Netherlands
- Md. Abdul Baset Sarker (Chayan): Graduate Student at Clarkson University, New York, USA
- Abdur Rahim: CISSP, CEH, DGM, Product & Technology at bKash Limited
- Md. Tauhidul Haque: Assistant Manager (Core Network) at ADN Telecom Limited, Bangladesh

Q300: Where is IST's permanent campus located?

IST's permanent campus is in Dhanmondi, Dhaka. It features a peaceful environment, air-conditioned classrooms, a library with approximately 10,000 books, an auditorium, and on-campus medical services.

Q301: Who are the members of the Governing Body of IST?

- The Governing Body includes:

- Dr. Mohammed Shahpur Rafique Mia (Chairman)
- Dr. S.M. Mostafa Al Mamun (Enthusiastic Member)
- Rafiqul Islam Mia (Founder & Donor)
- Md. Mojibur Rahman (Guardian Representative)
- Asia Khatun (Guardian Representative)

Q302: Who is Abu Hena Md. Mustafa Kamal and what is their background?

Abu Hena Md. Mustafa Kamal is an Assistant Professor in the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST), Bangladesh. He is also the coordinator of the ECE department. He is pursuing a Ph.D. in Electrical and Electronic Engineering with an emphasis on Power Electronics from Islamic University of Technology (IUT). He holds a Master of Science in Electrical and Electronic Engineering (2018) and a Bachelor of Science in Electrical and Electronic Engineering (2013), both from IUT. His CGPA for M.Sc. was 3.67/4.00 and for B.Sc. was 3.85/4.00. Prior to joining IST, he worked as a lecturer in the Aeronautical Engineering Department of Cambrian International College of Aviation. He has seven years of teaching experience.

Q303: Who are the authors of the publication "Technical Potential of Rooftop Solar Plant in Bangladesh"?

The authors of "Technical Potential of Rooftop Solar Plant in Bangladesh" are Galib Shahriar, Runa Ruksana Khan, Md. Shahiduzzaman, and Galib Hashmi. This publication appeared in the IST Journal on Business & Technology, Vol. 8(1), June 17, with ISSN: 2070-4135.

Q304: Who are the authors of the publication "Treatment of Tannery Wastewater by Electro-coagulation"?

The authors are Nurul Amin and Shafiqul Islam. The publication appeared in IST Journal on Business & Technology. Vol. 8(1), June 17: ISSN: 2070-4135.

Q305: What is Abu Hena Md. Mustafa Kamal's research areas?

His research areas include:

- Power Electronics: Power Semiconductor Devices, Power Management ICs, Electric Machines and Drives
- Biomedical Engineering: Elasticity imaging, Tissue modeling, Breast cancer detection
- Nanotechnology: Single electron transistor (SET), Carbon nanotube (CNT)
- Renewable Energy Systems: Photovoltaic, fuel cell, wind, distributed generation systems

Q306: What are some of Abu Hena Md. Mustafa Kamal's publications?

He has co-authored several publications, including:

Journals:

- "Young's Modulus Distribution Prediction Analysis of Elasticity Imaging Technique Based on Location of Tumors", International Journal of Computer Science and Network Security (IJCSNS), vol.18, no.8, August 2018 (with Md. Taslim Reza, Muhammad Rezaul Hoque Khan, and Mohammad Rakibul Islam).
- "Modeling of Breast Tissue with Tumor Inclusion," IST Journal on Business and Technology (ISTJBT), vol. 8, no. 1, pp- 21-26, June 2017 (with Mohammad Ali, Md. Rakib Hossain, and Md. Abdul Mazid).
- "Role of Solar Rickshaw in Bangladesh: Design and Implementation Issues," International Journal of Electronics, Electrical and Computational System (IJEECS), vol. 5, no. 9, pp- 34-36, September 2016 (with Runa Rukshana Khan and Mohammad Ali).
- And several others in IST Journal on Business and Technology.

Conferences:

- "Error Analysis of Elasticity Imaging Technique Based on Depth from the Transducer," International Conference on Physics – 2018, 08-10 March, 2018, Dhaka, Bangladesh (with Md. Taslim Reza).
- "Developing Error Pattern of Elasticity Imaging Technique to Make the Modulus Reconstruction Process Robust", 3rd Young Scientist Congress, National Museum of Science and Technology Bhaban, Dhaka, Bangladesh, 14-15 September 2018.
- And several others in various conferences.

Q307: How can I contact Abu Hena Md. Mustafa Kamal?

He can be reached via email at mustafakamal@ist.edu.bd or mmkiut09@gmail.com.

Q308: Who is S. M. Ziaul Hasan and what is their background?

S. M. Ziaul Hasan is a Professor and the Deputy Director in the Department of Business Administration at the Institute of Science and Technology (IST). He earned a B.Com (Hons) in Accounting in 1991 and an M.Com in Accounting in 1992, both from the University of Dhaka. He began his career as a Lecturer at IST. His research interests include accounting, human psychology, e-commerce, tourism, TQM, market analysis, customer satisfaction, and motivation theory. His email address is hassan_zia71@yahoo.com.

Q309: What are S. M. Ziaul Hasan's publications and achievements?

S. M. Ziaul Hasan has co-authored several books, including "Basic Accounting," "Intermediate Accounting," and "Cost Accounting," all published by Renaissance Book Depot. He has also published numerous articles in national and international journals on topics such as efficient market hypothesis, securities market growth in Bangladesh, poverty reduction, contract farming, road management, economic development and political instability, Dhaka Stock Exchange volatility, undergraduate student performance, consumer market segmentation, regional connectivity, Bangladesh-India relations, relationship marketing, e-commerce problems in Bangladesh, marketing programs for tourism development, and leadership and management. A full list of publications with journal details, volumes, issues, and dates can be found on our website faculty page for S. M. Ziaul Hasan.

Q310: Who is Saleh Muhammad Maruf and what is their background?

Saleh Muhammad Maruf is an Assistant Professor and Head of the Department of Computer Science and Engineering at the Institute of Science and Technology (IST). He holds an M.Sc. in Computer Science (2005) and a B.Sc. (Hons.) in Computer Science (2004), both from IST, National University. He has spent the last 5 years in educational administration and has extensive interest in the socio-political aspects of information technology, government regulation on the internet and e-commerce, and leadership building through IT.

Q311: Who is Md. Ujjal Hossain and what is their background?

Md. Ujjal Hossain is an Assistant Professor in the Department of Business Administration at the Institute of Science and Technology (IST). He is currently pursuing an M.Phil. in Marketing at the University of Dhaka. He holds a BBA (2012) and an MBA (2013) from IST, both in Marketing, achieving first position in his class for both degrees. He has also completed an "Advanced Research Methodology" course from the Institute of Education and Research, University of Dhaka. His research interests include E-commerce, E-marketing, Tourism Industry, TQM, Management Information System, Market Analysis, Customer Satisfaction, and Theory of Motivation. He has published several articles and books, including "Management Information System," "Macroeconomics, Second Edition," and "Legal Environment of Business, 1st Edition." His email address is ujjalist2017@gmail.com.

Q312: What are some achievements of the ECRC members?

ECRC members have won several competitions, including:

- Champion of National Innovation Challenge 2015
- Champion of Digital Innovation Challenge 2017
- Champion of National Women Hackathon 2017
- Runner up of NSU Cybernauts 2013
- Runner up of Code Warriors Challenge 2015
- 2nd Runner up of MIST Robolution 2019 (Poster Presentation)
- 10th position in 1st Bangladesh Electronics Olympiad 2017

Q313: Who is Md. Nazmul Huda and what is their background?

Md. Nazmul Huda is a Lecturer in the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST). He holds a B.Sc. (Honors) in Electronics and Communication Engineering from the National University of Bangladesh (CGPA 3.64/4) and an M.Sc. in Renewable Energy Technology from the University of Dhaka (CGPA 3.88/4, 1st Merit Position). He passed both SSC and HSC exams from Dhaka Board with the highest grade. He has research experience at the Semiconductor Technology Research Centre (STRC), University of Dhaka, and the Advanced Renewable Energy Lab, Institute of Energy, University of Dhaka. His email address is mnhudadu@gmail.com.

Q314: Who is Nusrat Ferdous and what is their background?

Nusrat Ferdous is an Assistant Professor (currently on study leave) in the Department of Electronics and Communication Engineering at the Institute of Science and Technology (IST). She holds an M.Sc. in Applied Physics, Electronics and Communication Engineering (First Class, 2010) and a B.Sc. (Honors) in the same field (First Class, 2009), both from the University of Dhaka. She is currently pursuing a postgraduate program in Computer Science with a concentration in Artificial Intelligence at City, University of London. Her email address is nferdous07@yahoo.com.

Q315: Who is Nahidul Islam and what is their background?

Nahidul Islam is a Faculty Member in the Department of Computer Science and Engineering at IST. He holds a B.Sc. in ICT from Jahangirnagar University with a CGPA of 3.70 and is currently pursuing his M.Sc. in ICT at the same university. His research areas include Machine Learning, Deep Learning, Image Processing, and Artificial Intelligence. He completed his SSC from Panchopally G.R. High School and HSC from Mazid Jarina Foundation School and College. He previously worked as a Part-Time Lecturer at Dhaka City College.

Q316: What are the objectives of the BCC?

The BCC aims to provide a platform for students to develop communication skills for academic and professional life, focusing on self-expression.

Q317: What activities does the BCC organize?

The BCC conducts weekly ice-breaking sessions with activities like instant speeches and presentations, workshops by professional trainers every three months, experience-sharing sessions with successful students and professionals, case study competitions, business plan development, professional training programs, language development sessions, and business competitions.

Q318: What are the achievements of IST students in programming competitions?

IST students have achieved several accolades in various programming competitions. Team IST_neverGiveUp was selected for the ICPS Asia West Continent Championship. In the ICPC Asia Dhaka Regional Contest 2021, IST secured 31st place among all public and private universities in Bangladesh. IST also ranked 1st among all colleges of the National University in the Inter University Girls Programming Contest in 2018 (NSU-IUGPC'18). IST students participated in the National Girls Programming Contest (NGPC) in 2018 and 2019. In 2017, IST ranked 1st among all the colleges of the National University in the NGPC. Students from the CSE department participated in the ACM International Collegiate Programming Contest Dhaka Site Regional in 2018. IST was the runner-up in NSU Cybernauts 2013.

Q319: What are the names and details of the top performing students in the ECE program?

Several top-performing ECE students are mentioned with their session and achievements. These include Mohammad Golam Hafiz (2005-2006, NU 1st Class First), Mohammad Liton Hossain (2006-2007, NU 1st Class First), Swarup Saha (2007-2008, CGPA 3.45, NU 1st Position), Mohammad Ali (2008-2009, CGPA 3.57, NU 1st Position), Anjoy Ronjon Das (2009-2010, CGPA 3.48, NU 1st Position), Remon Kajol (2010-2011, CGPA 3.52, NU 1st Position), Sagar Kumar Basak (2011-2012, CGPA 3.56, NU 1st Position), Bikramaditya Sana (2012-2013, CGPA 3.65, NU 1st Position), Rubaiyat Imroze (2013-2014, CGPA 3.54, NU 1st Position), and Md. Shawkot Hossain (2014-2015, CGPA 3.80, NU 1st Position).

Q320: What is the online library system at IST?

The IST Online Library System, launched on September 1, 2018, allows students to search for and issue books remotely. Students can check book availability and reserve them if needed. An automatic SMS notification system informs students about book availability. Each student requires a coded card to use the system.

Q321: What are Md. Nazmul Huda's research areas?

Md. Nazmul Huda's research areas include Semiconductor Fabrication, Semiconductor Characterization, Renewable Energy Technology, Internet of Things (IoT), Embedded Systems, and Communication Engineering.

Q322: What publications has Md. Nazmul Huda authored or co-authored?

Md. Nazmul Huda has co-authored the following publications:

- "An Easily Operable IoT-Based Health Monitoring System," 2021 Joint 10th International Conference on Informatics, Electronics & Vision (ICIEV) and 2021 5th International Conference on Imaging, Vision & Pattern Recognition (icIVPR), Japan, 2021 (with Md Abu Rasel and Nusrat Ferdous).
- "Design and Development of a Low-Cost 2.4 GHz GFSK Modulation based Walkie-Talkie," Dhaka Uni. J. of Applied Sci. and Eng., vol. 7, no. 2, pp. 16–20, Apr. 2023. <https://doi.org/10.3329/dujase.v7i2.65089> (with Galib Hashmi, Md. Kawser Hossain Mamun, and Md. Habibur Rahman).

Q323: What are Saleh Muhammad Maruf's research areas?

His research areas include E-commerce and Social E-commerce, Privacy and access control in social networks and E-commerce platforms, and the Social and Political aspects of Information Technology.

Q324: What has Saleh Muhammad Maruf published?

He has published the following:

- Perspective of wireless digital communication using WiMax in Bangladesh.
- "Growing Importance of Training at Workplace", Journal for Business and Technology, ISSN 2070- 4135, Vol 8, No -1, Institute of Science and Technology (IST), June 2017.
- "Digitalization and Marketing; Bangladesh Perspective", Journal for Business and Technology, ISSN 2070- 4135, Vol 9, No -1, Institute of Science and Technology (IST), June 2019.
- "Leadership and Management: A Literature Review", Journal for Business and Technology, ISSN 2070- 4135, Vol 9, No -1, Institute of Science and Technology (IST), June 2019.
- "Quality Management Practices in Higher Education Institution: The Case of Institute of Science and Technology".

Q325: How can I contact Saleh Muhammad Maruf?

You can contact him via email at salehmaruf.ist@gmail.com.

Q326: When was IST founded and by whom?

The Institute of Science and Technology (IST) was founded in 1993 by Prof. Dr. Shahida Rafique of the University of Dhaka. It was inaugurated in the presence of Nobel Laureate Professor Dr. Abdus Salam and the then Honorable Prime Minister of Bangladesh. It was the first institute in Bangladesh to offer an Honors program in Computer Science affiliated with National University.

Q327: What was the Inter-University Tech Fest 2012 at KUET?

The Inter-University Tech Fest 2012 was a two-day technology festival held on September 29, 2012, at Khulna University of Engineering & Technology (KUET). The event included Hardware Implementation, Software presentation, Project Idea, Seminar, and an information technology-based quiz contest. A team from IST participated in the event.

Q328: Who was present at the inauguration of IST?

The inauguration was attended by Nobel Laureate Professor Dr. Abdus Salam and the then Honorable Prime Minister of Bangladesh.

Q329: What are some of the achievements of the BBA program at IST?

The BBA program has several achievements including:

- Interuniversity Presentation Contest winning Three teams: Champion (BBA 15), Runners-up (BBA 13), Second Runners-up (BBA 15)
- Core team positions in the CKH Network secured by top-ranked young leaders, coached by Kamrul Hassan.
- Successful BBA Academic & Extracurricular Activities.
- Md. Abu Ayub Ansari (BBA 15) received the Inter-university Presentation Contest Champion & Best Presenter awards.
- Champion team in the Inter-university Presentation Contest 2019 (BBA 15th Batch).

- Champion & Second runners-up team in the Inter-university Presentation Contest (BBA 15th Batch).
- Runner-up in the IST Interuniversity Debate Contest, 2020 (BBA Student).
- Top ranking in the East West University Business Case Competition (IST BBA Students).

Q330: Who are some of the faculty members?

Some faculty members mentioned include:

- Runa Rukshana Khan (Associate Professor and Deputy Academic Director)
- Muhammad Ashfaque Rahman (Associate Professor and Head, Dept. of Business Administration)
- Nafia Laila (Associate Professor, Dept. of Business Administration)
- Nusrat Ferdous (Assistant Professor and Head, Dept. of ECE and General Secretary of BAWS)
- Ditee Yasmeen (Assistant Professor, Dept. of CSE and Program Coordinator of BAWS)

Q331: When was the Institute of Science and Technology (IST) established?

IST is celebrating its 29th anniversary, implying it was established around 1994-1995. The content mentions it's celebrating its 29th anniversary 'this year' without specifying the current year the content was from.

Q332: Who inaugurated the S-R Tower at IST?

The S-R Tower was inaugurated in December 2018 by Prof. Emeritus Dr. Shahida Rafique, Chairman of the Board of Directors of IST.

Q333: Who was present at the S-R Tower inauguration?

The following individuals were present at the inauguration:

- Prof. Emeritus Dr. Shahida Rafique (Chairman, Board of Directors)
- Dr. Saleh Mohammad Rafique (Administrative Director)
- Prof. Abdul Mazid (Academic Director)
- Runa Rukshana Khan (Deputy Academic Director)
- S. M. Ziaul Hassan (Deputy Administrative Director)
- A.S.M Rashidul Hasan (Chief Administrative Officer)
- All other teachers and staff of IST

Q334: What are Nusrat Ferdous's research areas?

Nusrat Ferdous's research areas include Compound semiconductor material and devices, Micro Electro Mechanical Systems and Sensors, Nano-electronics, Nano-photonics and Optics, Optoelectronics and Quantum Electronics, and Applied Electromagnetism.

Q335: What publications has Nusrat Ferdous authored?

Nusrat Ferdous has authored the following publications:

- Study on Absorption Coefficient of Materials Suitable for Multi-junction Solar Cell: Proceeding of Bangladesh Electronics Society Conference 2010. (pg 171-174) 2-3 June 2010, Dhaka, Bangladesh. (2010)
- Normalized Bispectrum Ratio: Parameter for estimating depth of anesthesia: Informatics, Electronics & Vision (ICIEV), 2012 (2012)

Q336: Who is Tasmi Sultana?

Tasmi Sultana received her bachelor's and master's degree from Institute of Science and Technology (IST) in Computer Science and Engineering. She has served as a faculty member in Institute of Science and Technology (IST) right after her graduation. Currently, she is working here as a Lecturer. During her graduation, Tasmi invested her time in contest programming for developing herself as a contest programmer and skilled person. She participated in several contests such as ACM ICPC Asia regional Dhaka, BUET IUPC, NASA Space App, National Girls Programming Contest, National Collegiate Programming, Inter University Girl's

Programming Contest etc. She also served as General Secretary in the Programming Club of IST (pclST).

Q337: Who is Lutfi Habiba?

Lutfi Habiba is Assistant Professor in the Department of Computer Science and Engineering. Contact: lutfihabiba@gmail.com

Q338: Who is Md. Shamim Hasan?

Md. Shamim Hasan is Lecturer in the Department of Electronics and Communication Engineering. Contact: shamimist@gmail.com

Q339: Who is Md. Saimul Haque Shanto?

Md. Saimul Haque Shanto is in the Department of Computer Science and Engineering. Contact: saimulshanto007@gmail.com

Q340: Who is Runa Rukshana Khan?

Runa Rukshana Khan is Professor in the Department of Electronics and Communication Engineering. Contact: istmruna@gmail.com

Q341: Who is Mahbuba Hossain Airin?

Mahbuba Hossain Airin is Assistant Professor in the Department of Business Administration. Contact: mahbuba.airin@gmail.com

Q342: Who is Mahfuza Ferdousi?

Mahfuza Ferdousi is Head of the department in the Department of Electronics and Communication Engineering. Contact: ferdousimahfuza@gmail.com

Q343: Who is Dr. Galib Hashmi?

Dr. Galib Hashmi is in the Department of Electronics and Communication Engineering. Contact: galib@ist.edu.bd

Q344: Who is Sanjida Hoque Shoshey?

Sanjida Hoque Shoshey is Lecturer in the Department of Computer Science and Engineering.
Contact: shoshey.return@gmail.com

Q345: Who is Md. Shawkot Hossain?

Md. Shawkot Hossain is in the Department of Electronics and Communication Engineering.
Contact: shriaz.ece@gmail.com

Q346: Who is Muhammad Ashfaqur Rahman?

Muhammad Ashfaqur Rahman is Professor in the Department of Business Administration.
Contact: ashfaqurrahman@gmail.com

Q347: Who is Saleh Muhammad Maruf?

Saleh Muhammad Maruf is Assistant Professor in the Department of Computer Science and Engineering. Contact: salehmaruf.ist@gmail.com

Q348: Who is Md. Nazmul Huda?

Md. Nazmul Huda is Lecturer in the Department of Electronics and Communication Engineering.
Contact: mnhudadu@gmail.com

Q349: Who is Nusrat Ferdous?

Nusrat Ferdous is Assistant Professor in the Department of Electronics and Communication Engineering. Contact: nferdous07@yahoo.com

Q350: Who is Nahidul Islam?

Nahidul Islam is in the Department of Computer Science and Engineering. Contact:
nahid.iit.ju.2018@gmail.com

Q351: What are the passwords of IST's wifi?

I have the password for 2 networks.

- Network SSID: IST Students Password: 6469istist
- Network SSID: Com Lab 1 & 2 Password: comlab12
